[illegible]

A 3D model of a mechanical assembly. It consists of a grey base with a central vertical shaft. A yellow spring is mounted on this shaft, and a yellow component is attached to the top of the spring. The base has two horizontal shafts extending from it.

A yellow Technic spring is being attached to a grey Technic frame. The spring is being inserted into a hole in the frame, which is part of a larger assembly. The frame has a blue pin already inserted into it.

[illegible]

A small, light grey Technic part, likely a connector or axle holder, with two blue pins inserted into its ends.
