This image shows a detailed LEGO assembly, likely a Technic model. The structure is long and thin, constructed primarily from grey and black Technic beams and connectors. It features a complex arrangement of parts, including a small blue piece visible near the center. The assembly is shown from a perspective view, highlighting its length and the intricate details of its construction. The background is a solid light blue.

1x

A perspective view of the completed LEGO Technic assembly. The structure is a long, multi-layered beam. It features a central section with a 3x3 grid of circular holes, flanked by sections with 2x2 and 1x2 grids of circular holes. The assembly is built using a combination of grey and black Technic bricks and connectors, including pins and axles. The overall shape is elongated and slightly curved, with a small protrusion at one end.
