See next  
page for  
overhead  
view of floor  
pattern.

The floor sits loose on the tiles and should be a snug fit between the left wall and stairwell

The sign included in the step below is the Fabuland version. The parts list includes the 2014 version (6033016/13459), which is the one used in the original model.

The design for the “Sugar & Spice” sign has been included as a separate PDF. Print that on sticker paper and apply one sticker to each side of the sign.
