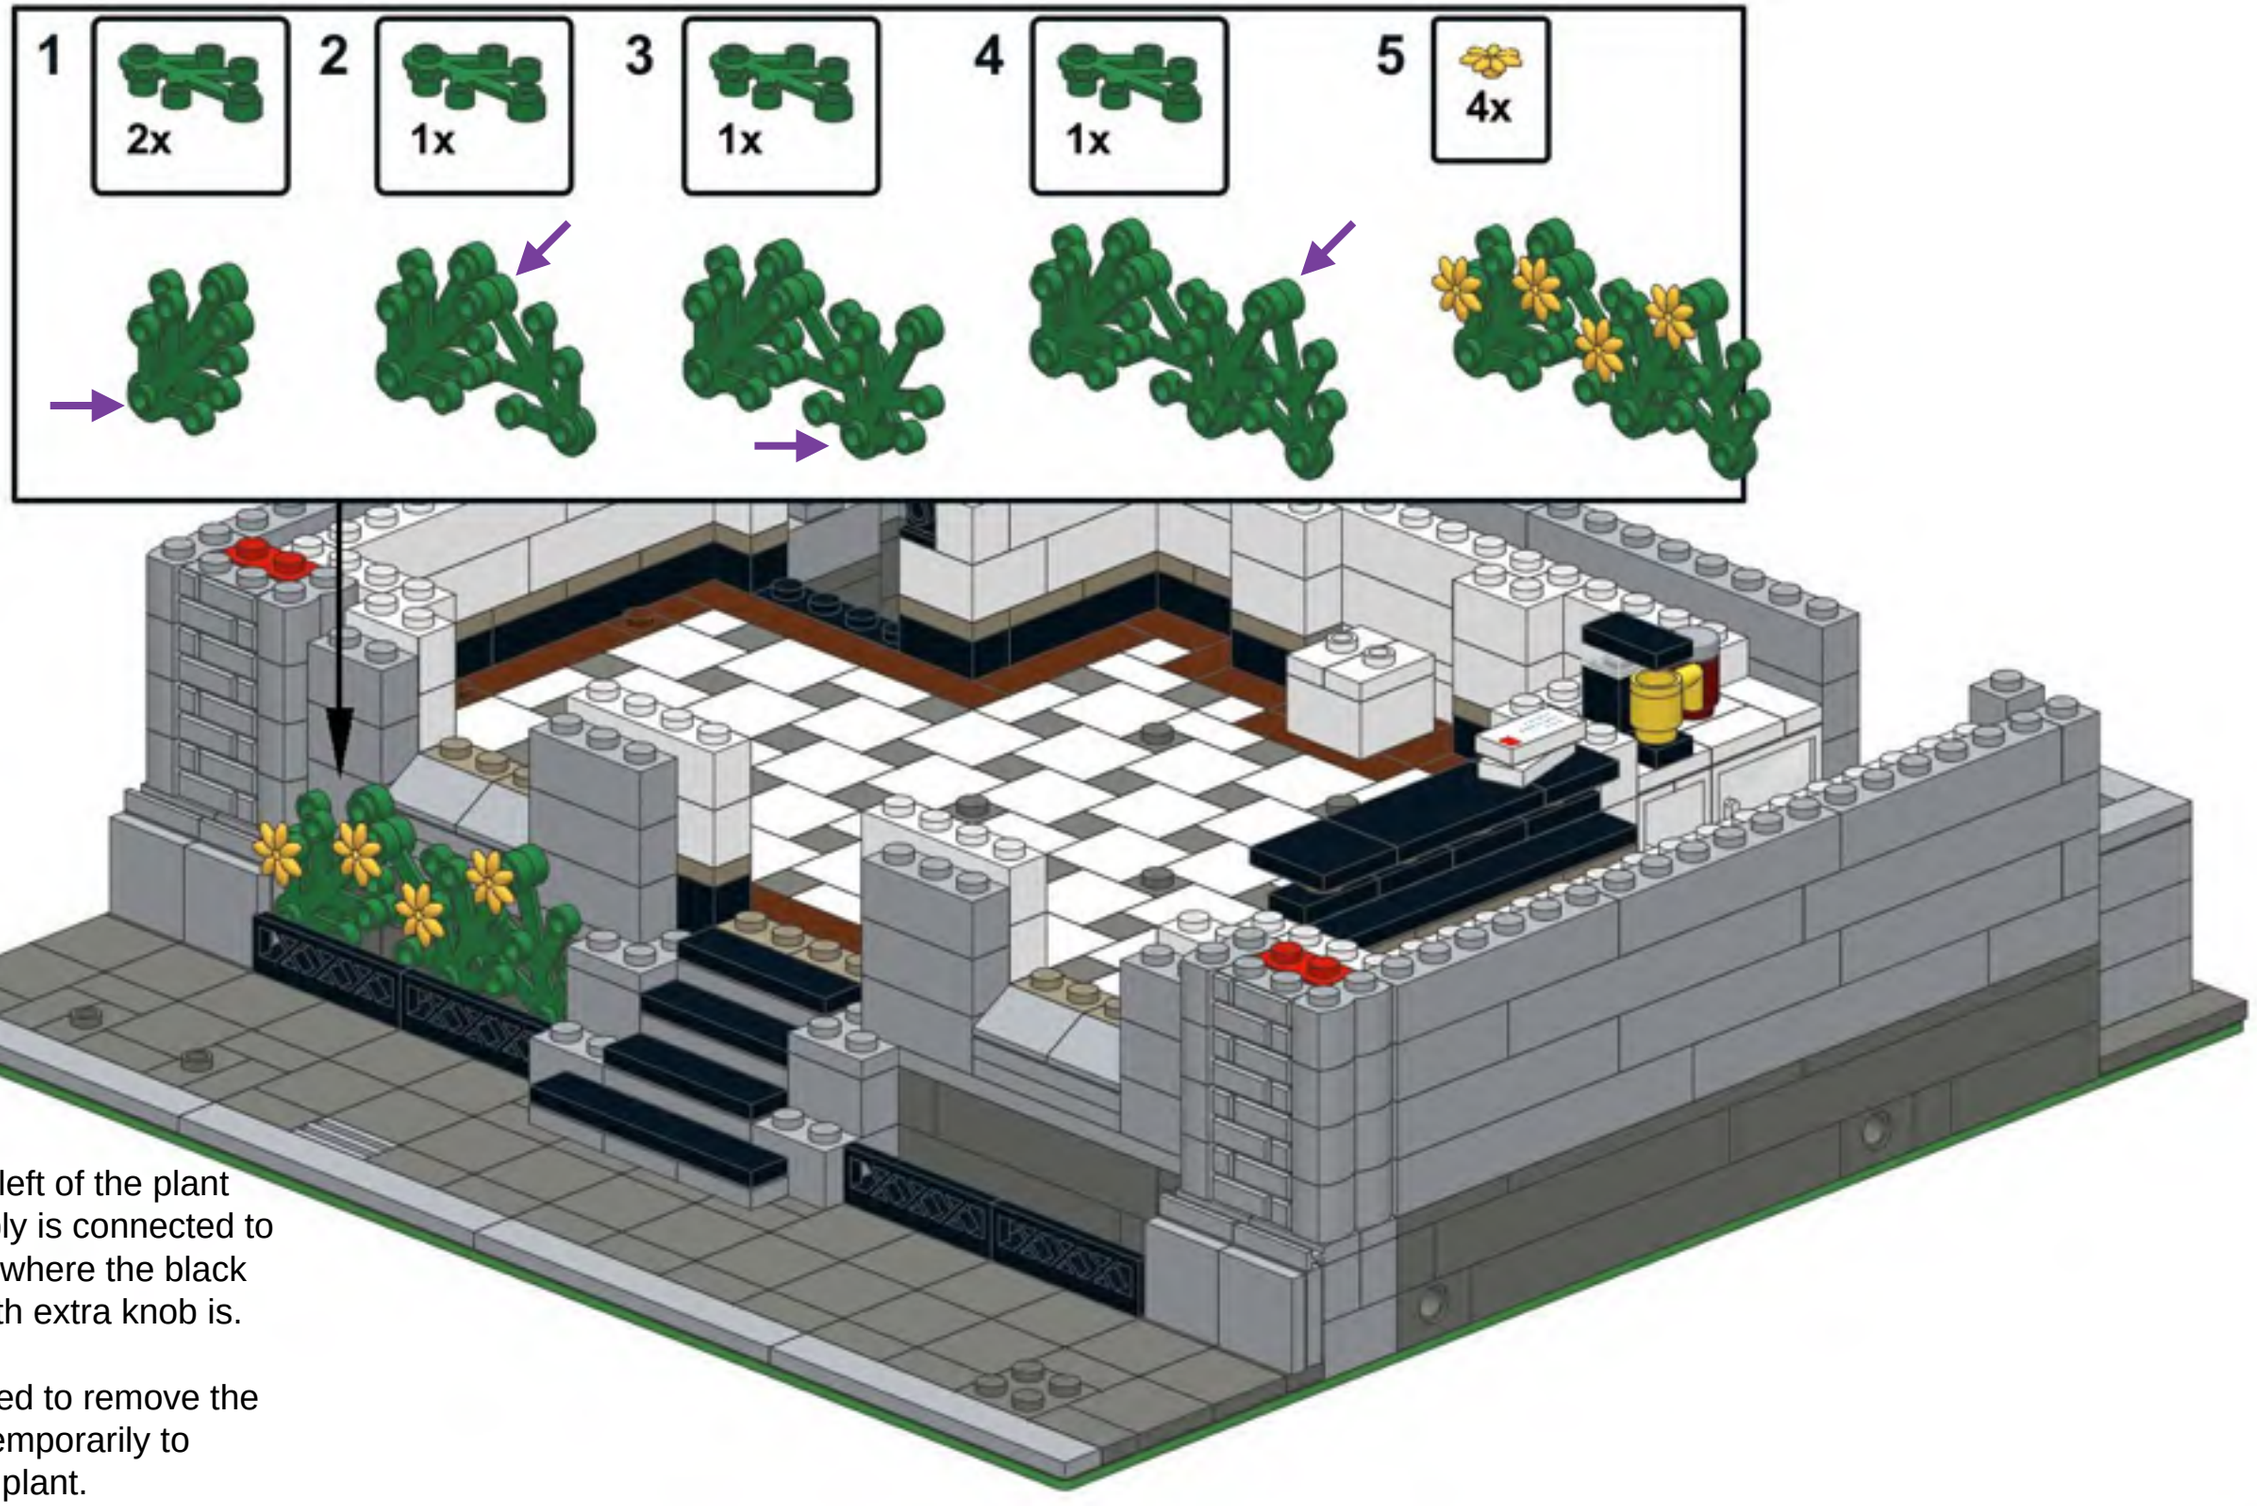
Note: The arrows point out the connection points for the leaves.

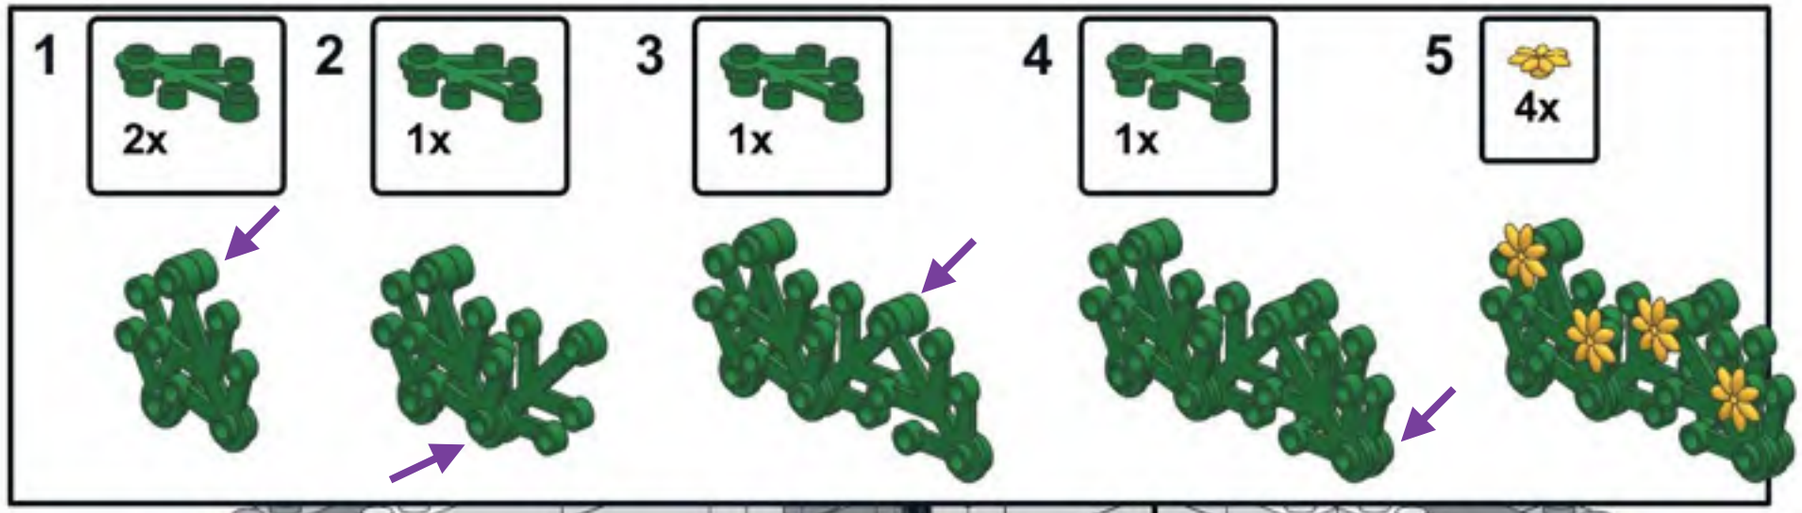


The bottom left of the plant sub-assembly is connected to the building where the black 1x1 brick with extra knob is.

You may need to remove the fence part temporarily to connect the plant.

44

Note: The arrows point out the connection points for the leaves.



The bottom right of the plant sub-assembly is connected to the building where the black 1x1 brick with extra knob is.

You may need to remove the fence part temporarily to connect the plant.
