This diagram illustrates the assembly of a LEGO structure. A brown 1x4 plate is being placed on a grey base, and a grey 1x2 plate is being placed on the brown plate. The assembly is shown from a perspective view, highlighting the connection between the plates and the base. The brown plate is being placed on a grey base, and the grey plate is being placed on the brown plate. The assembly is shown from a perspective view, highlighting the connection between the plates and the base.

This diagram illustrates a LEGO Technic assembly, likely a model of a building or a mechanical component. The structure is built using a variety of grey Technic bricks, including 1x4 and 4x4 bricks, as indicated by the legend. The assembly features a large, flat base made of grey bricks. On top of this base, there are several distinct sections: a central area with a white and grey checkerboard pattern, a large rectangular area with a brown and tan checkerboard pattern, and a smaller section with a tan and brown checkerboard pattern. The structure is enclosed by walls made of grey bricks, and there are various internal supports and connectors visible. The overall design is complex and detailed, showing the intricate construction of the model.

59

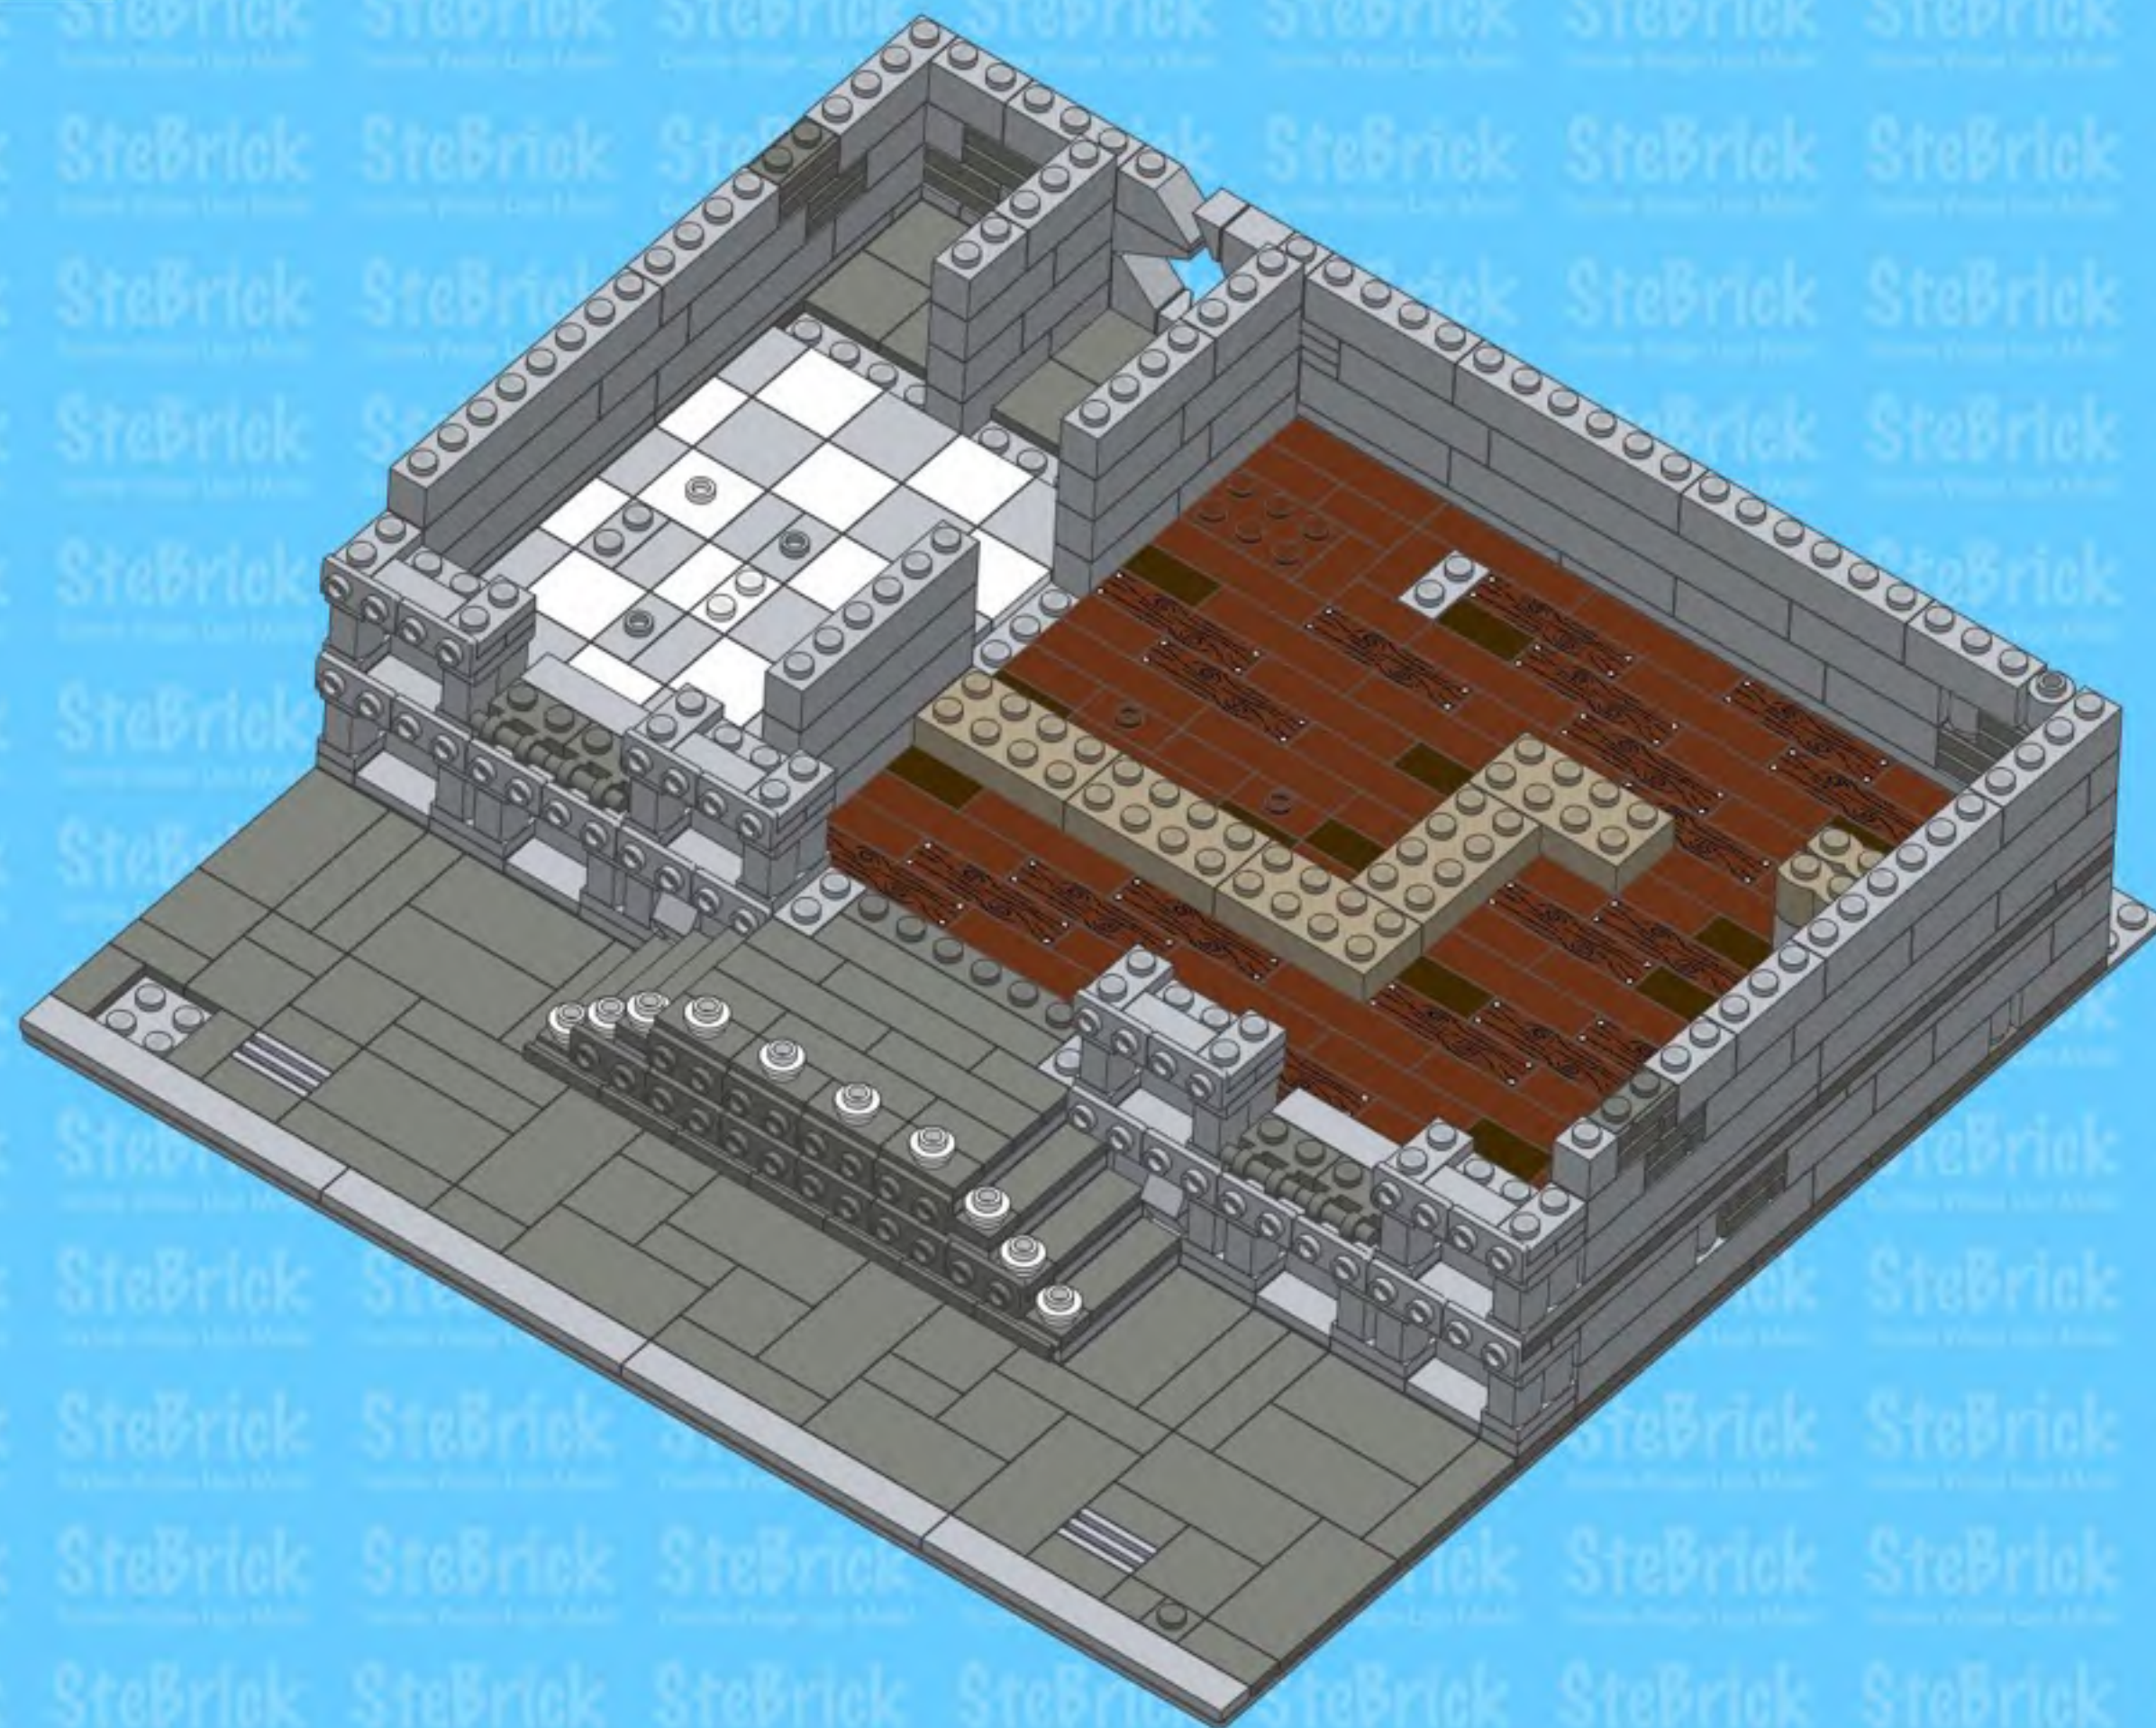

4x

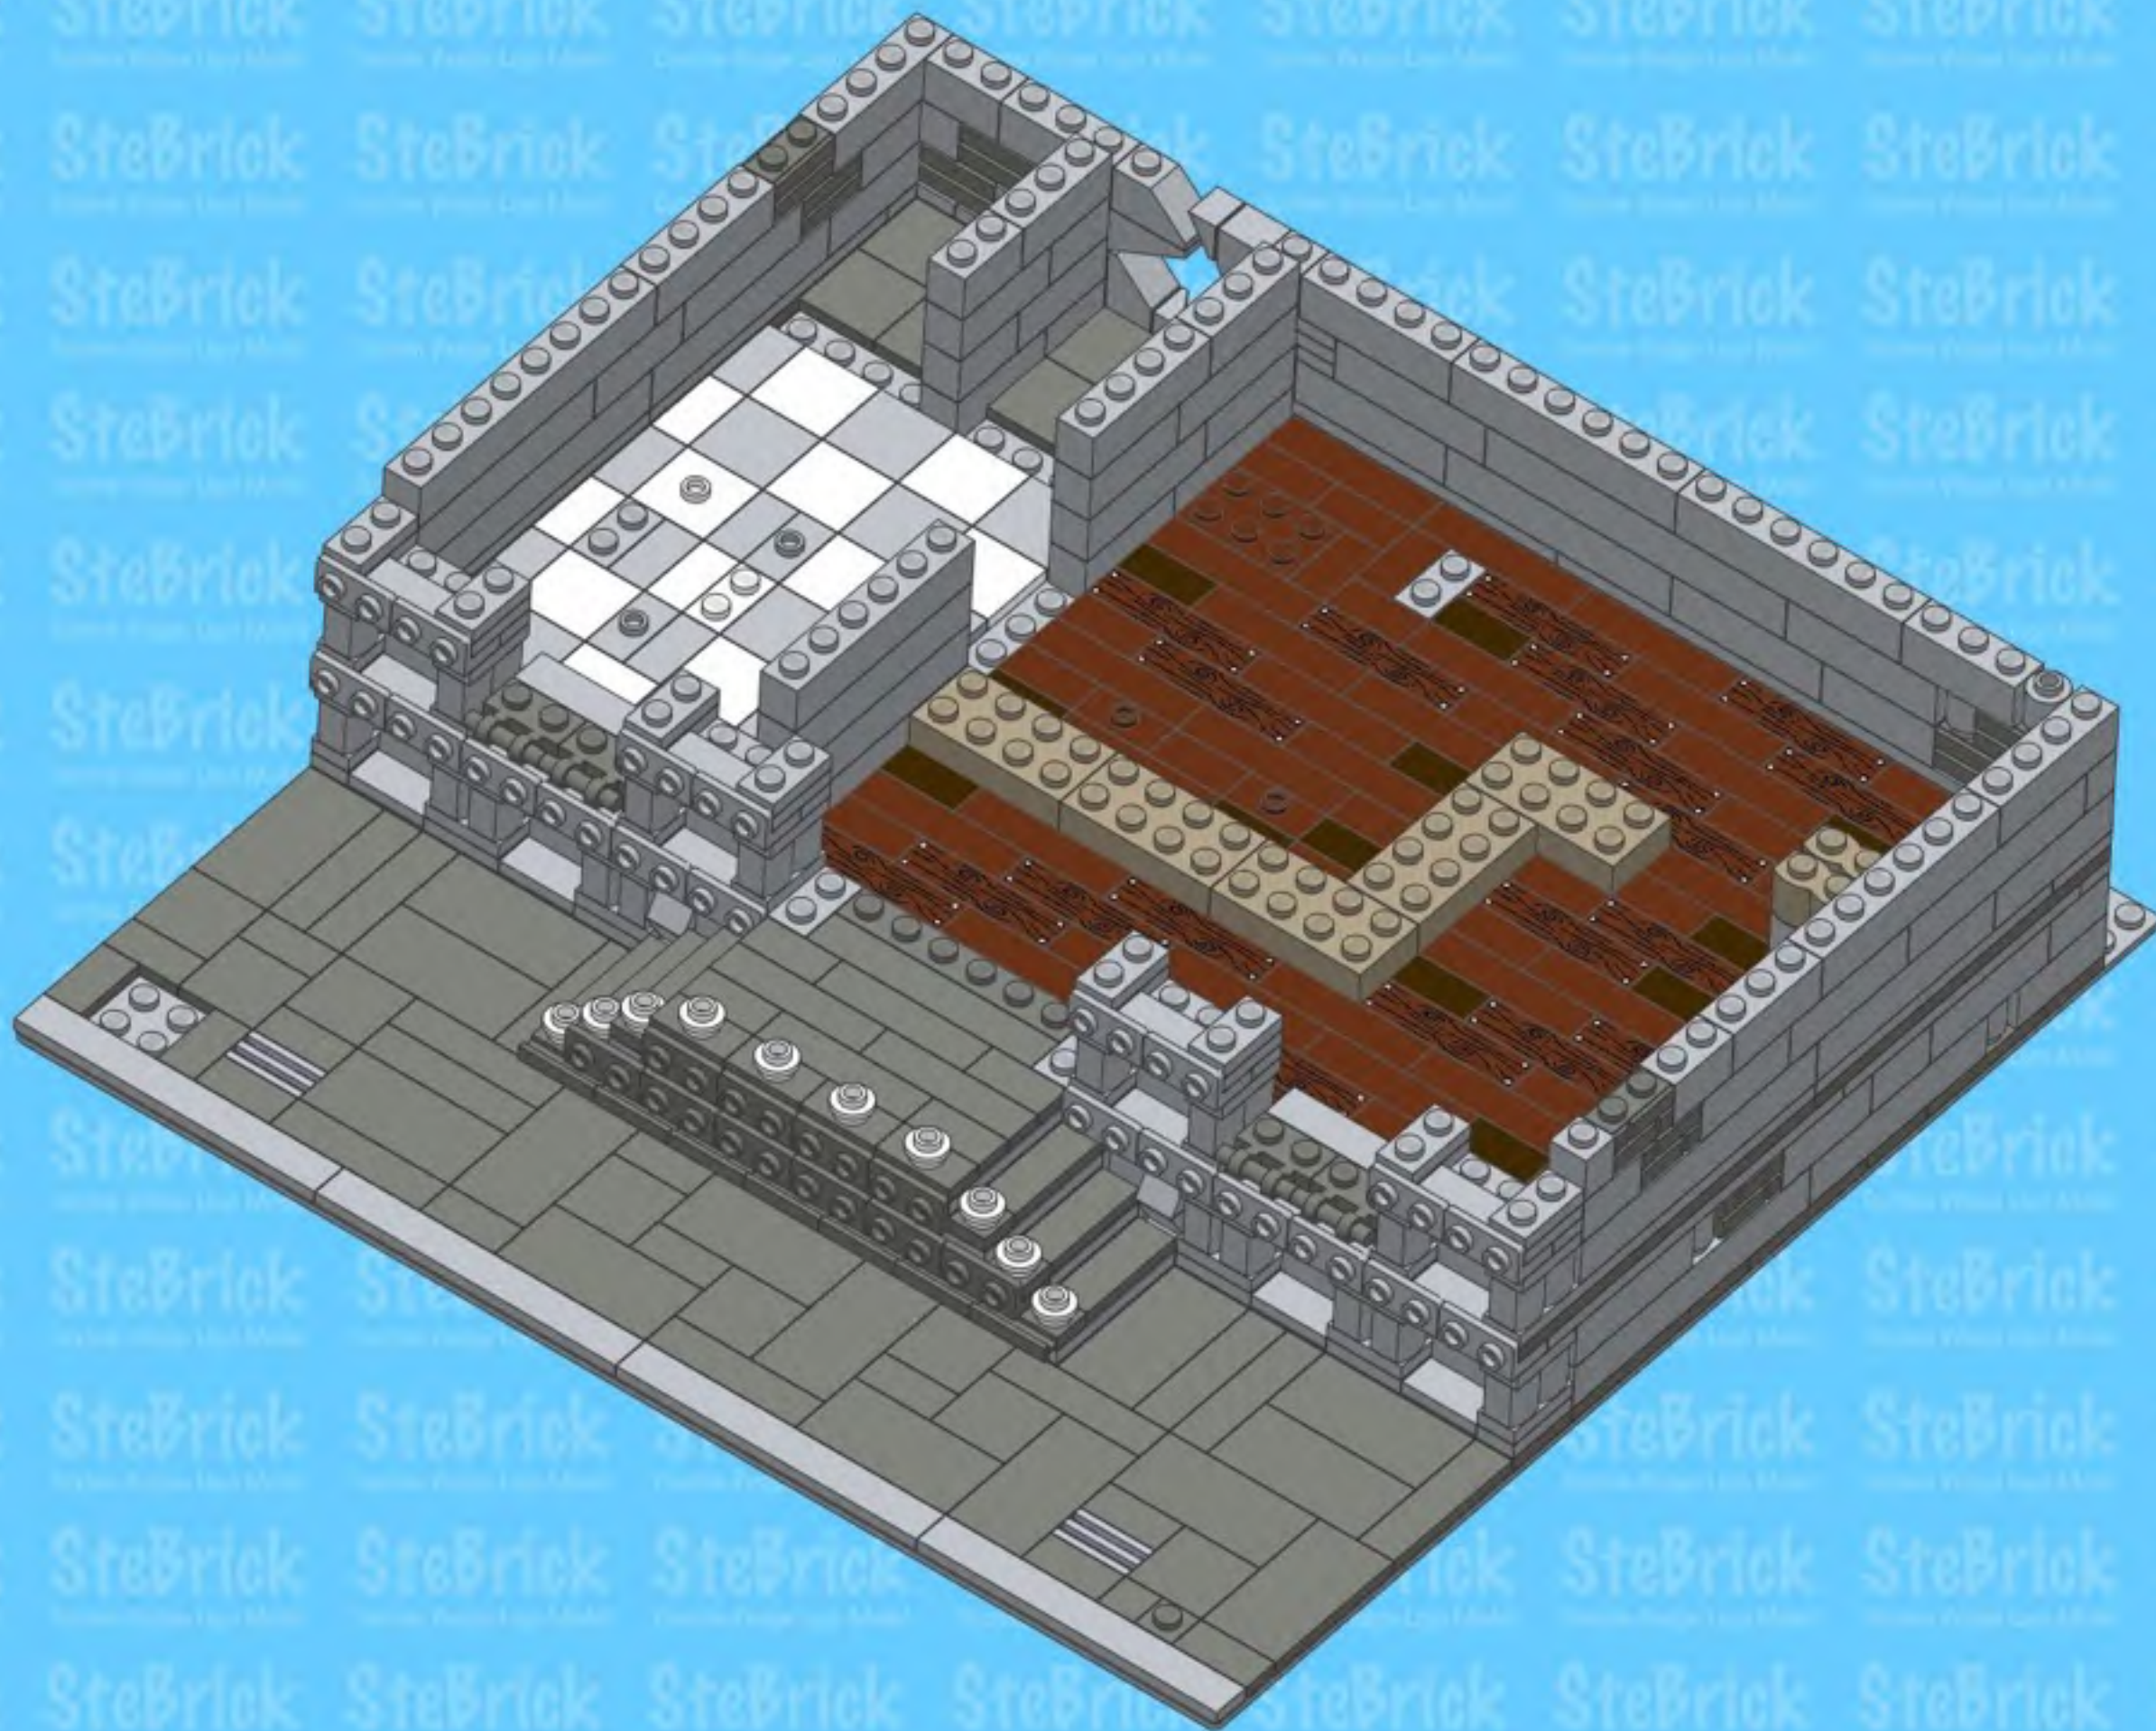

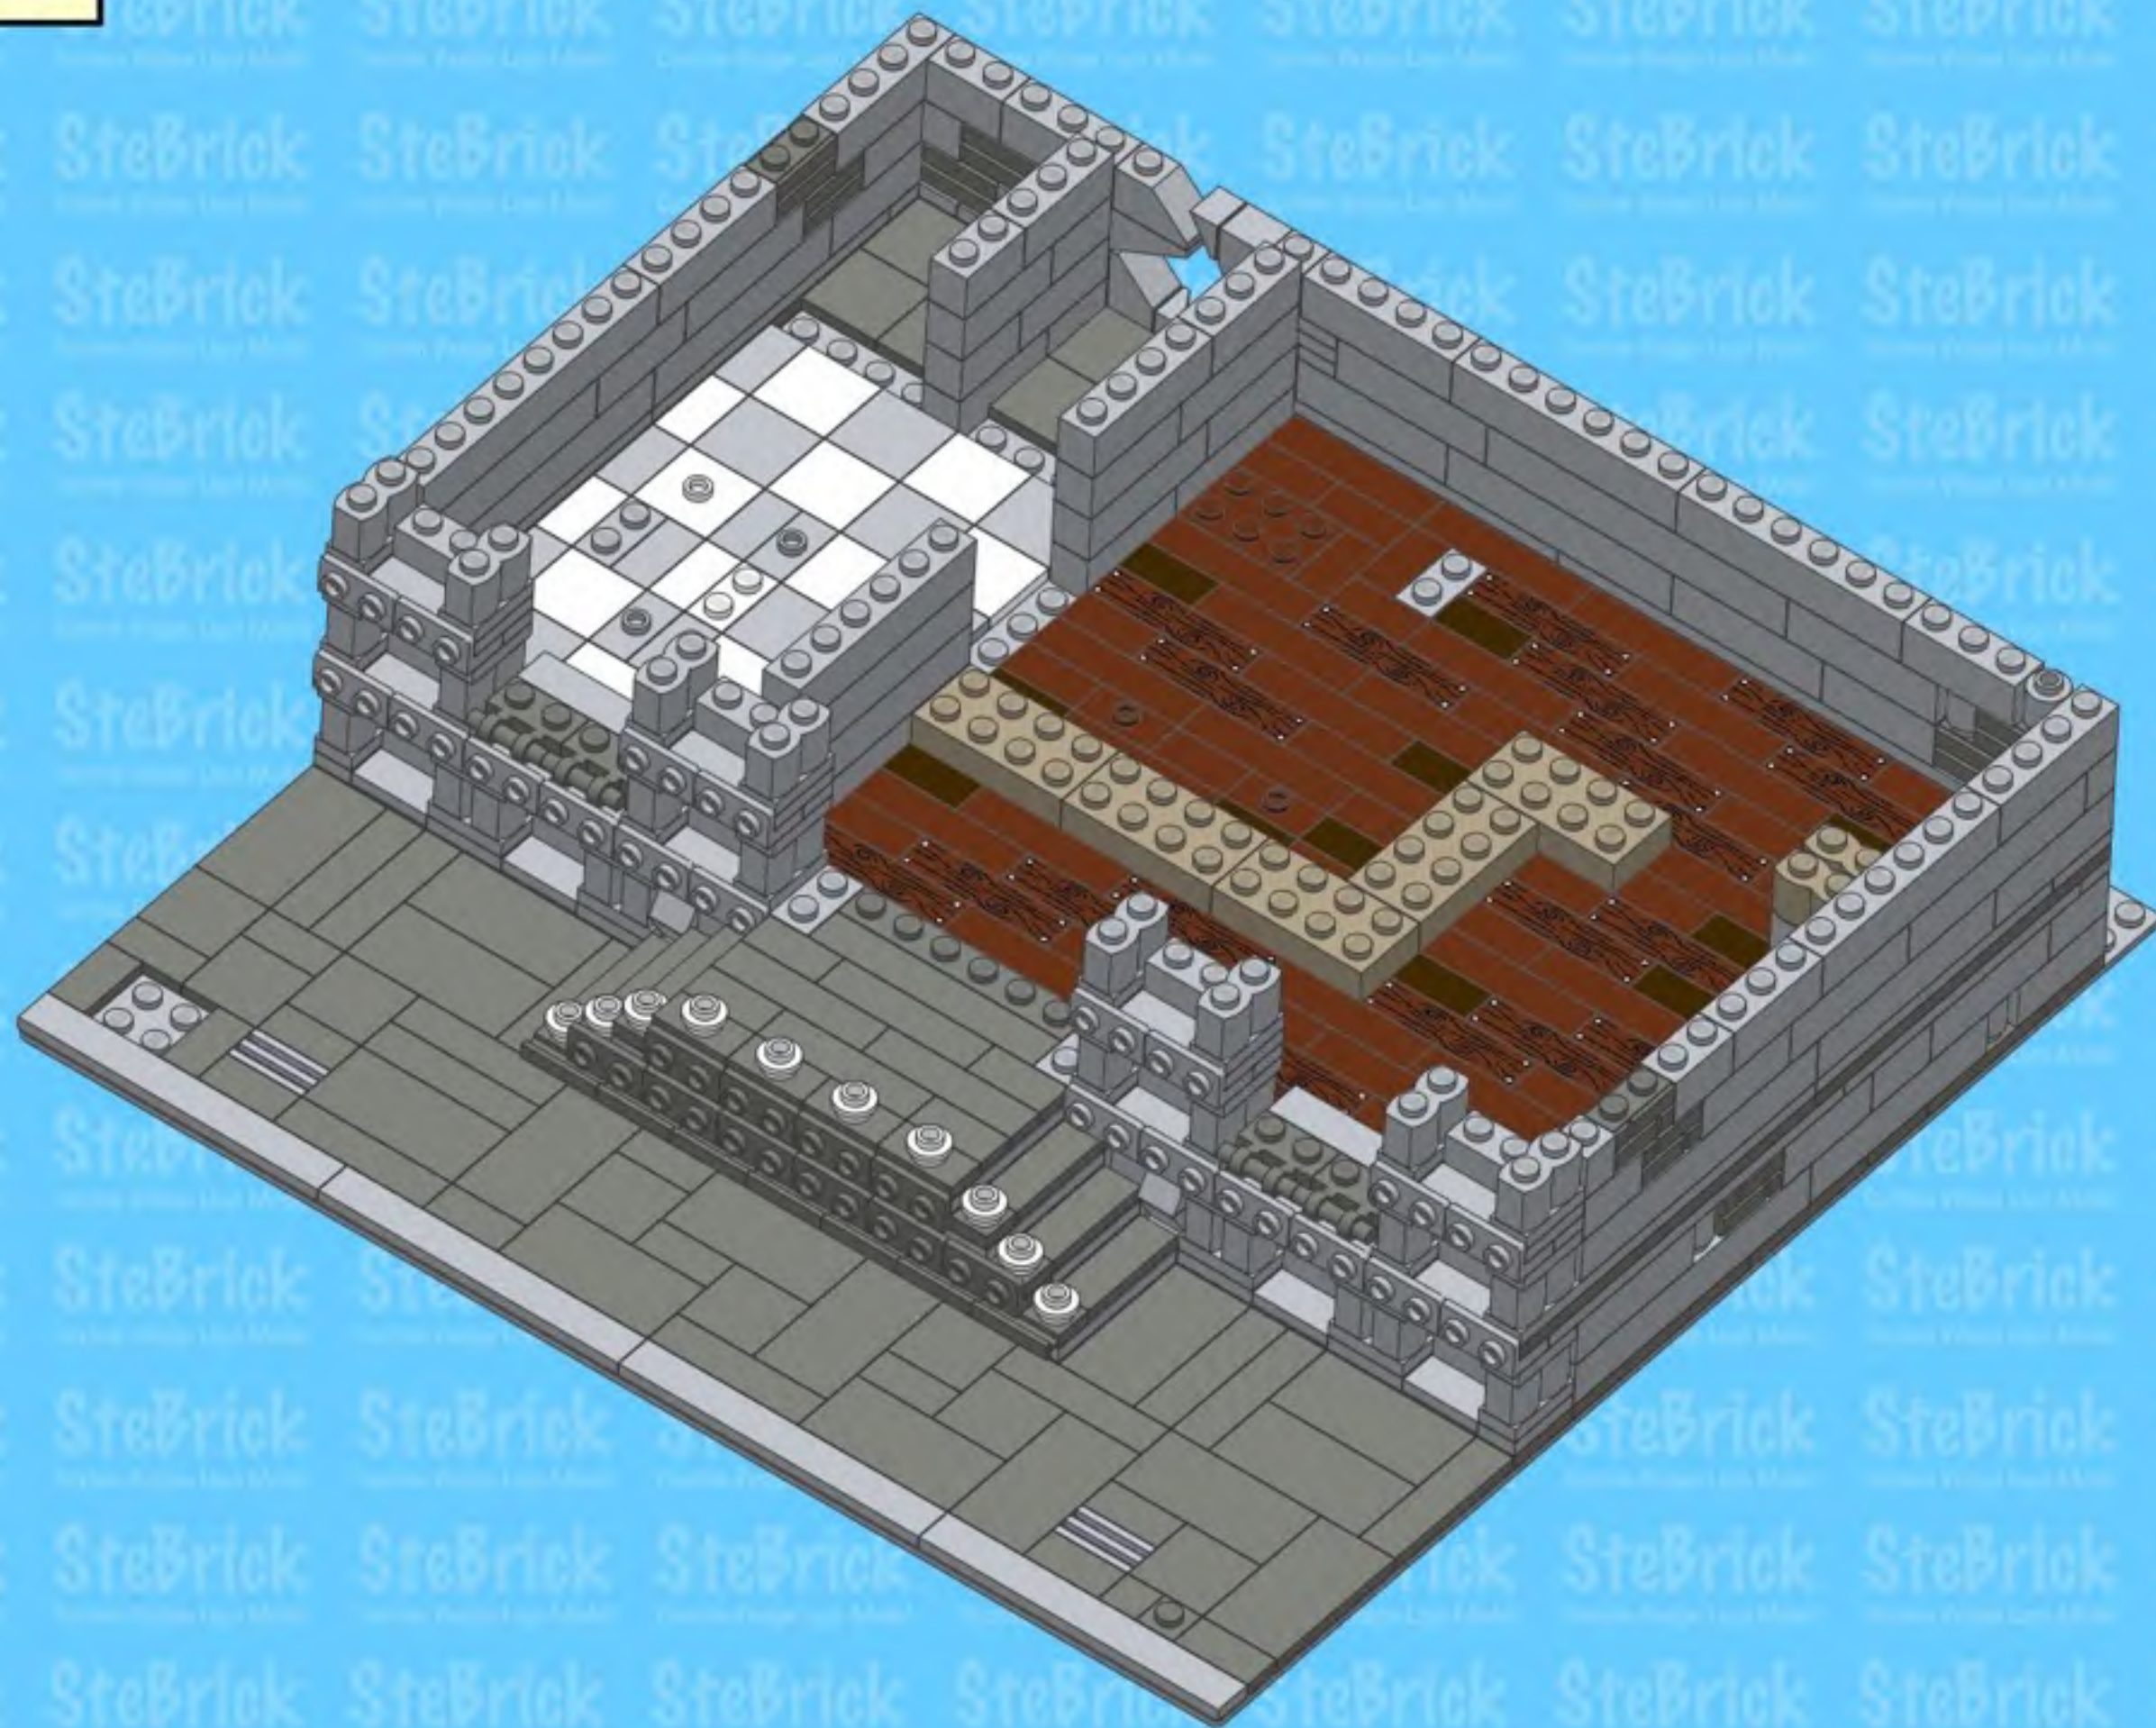

8x

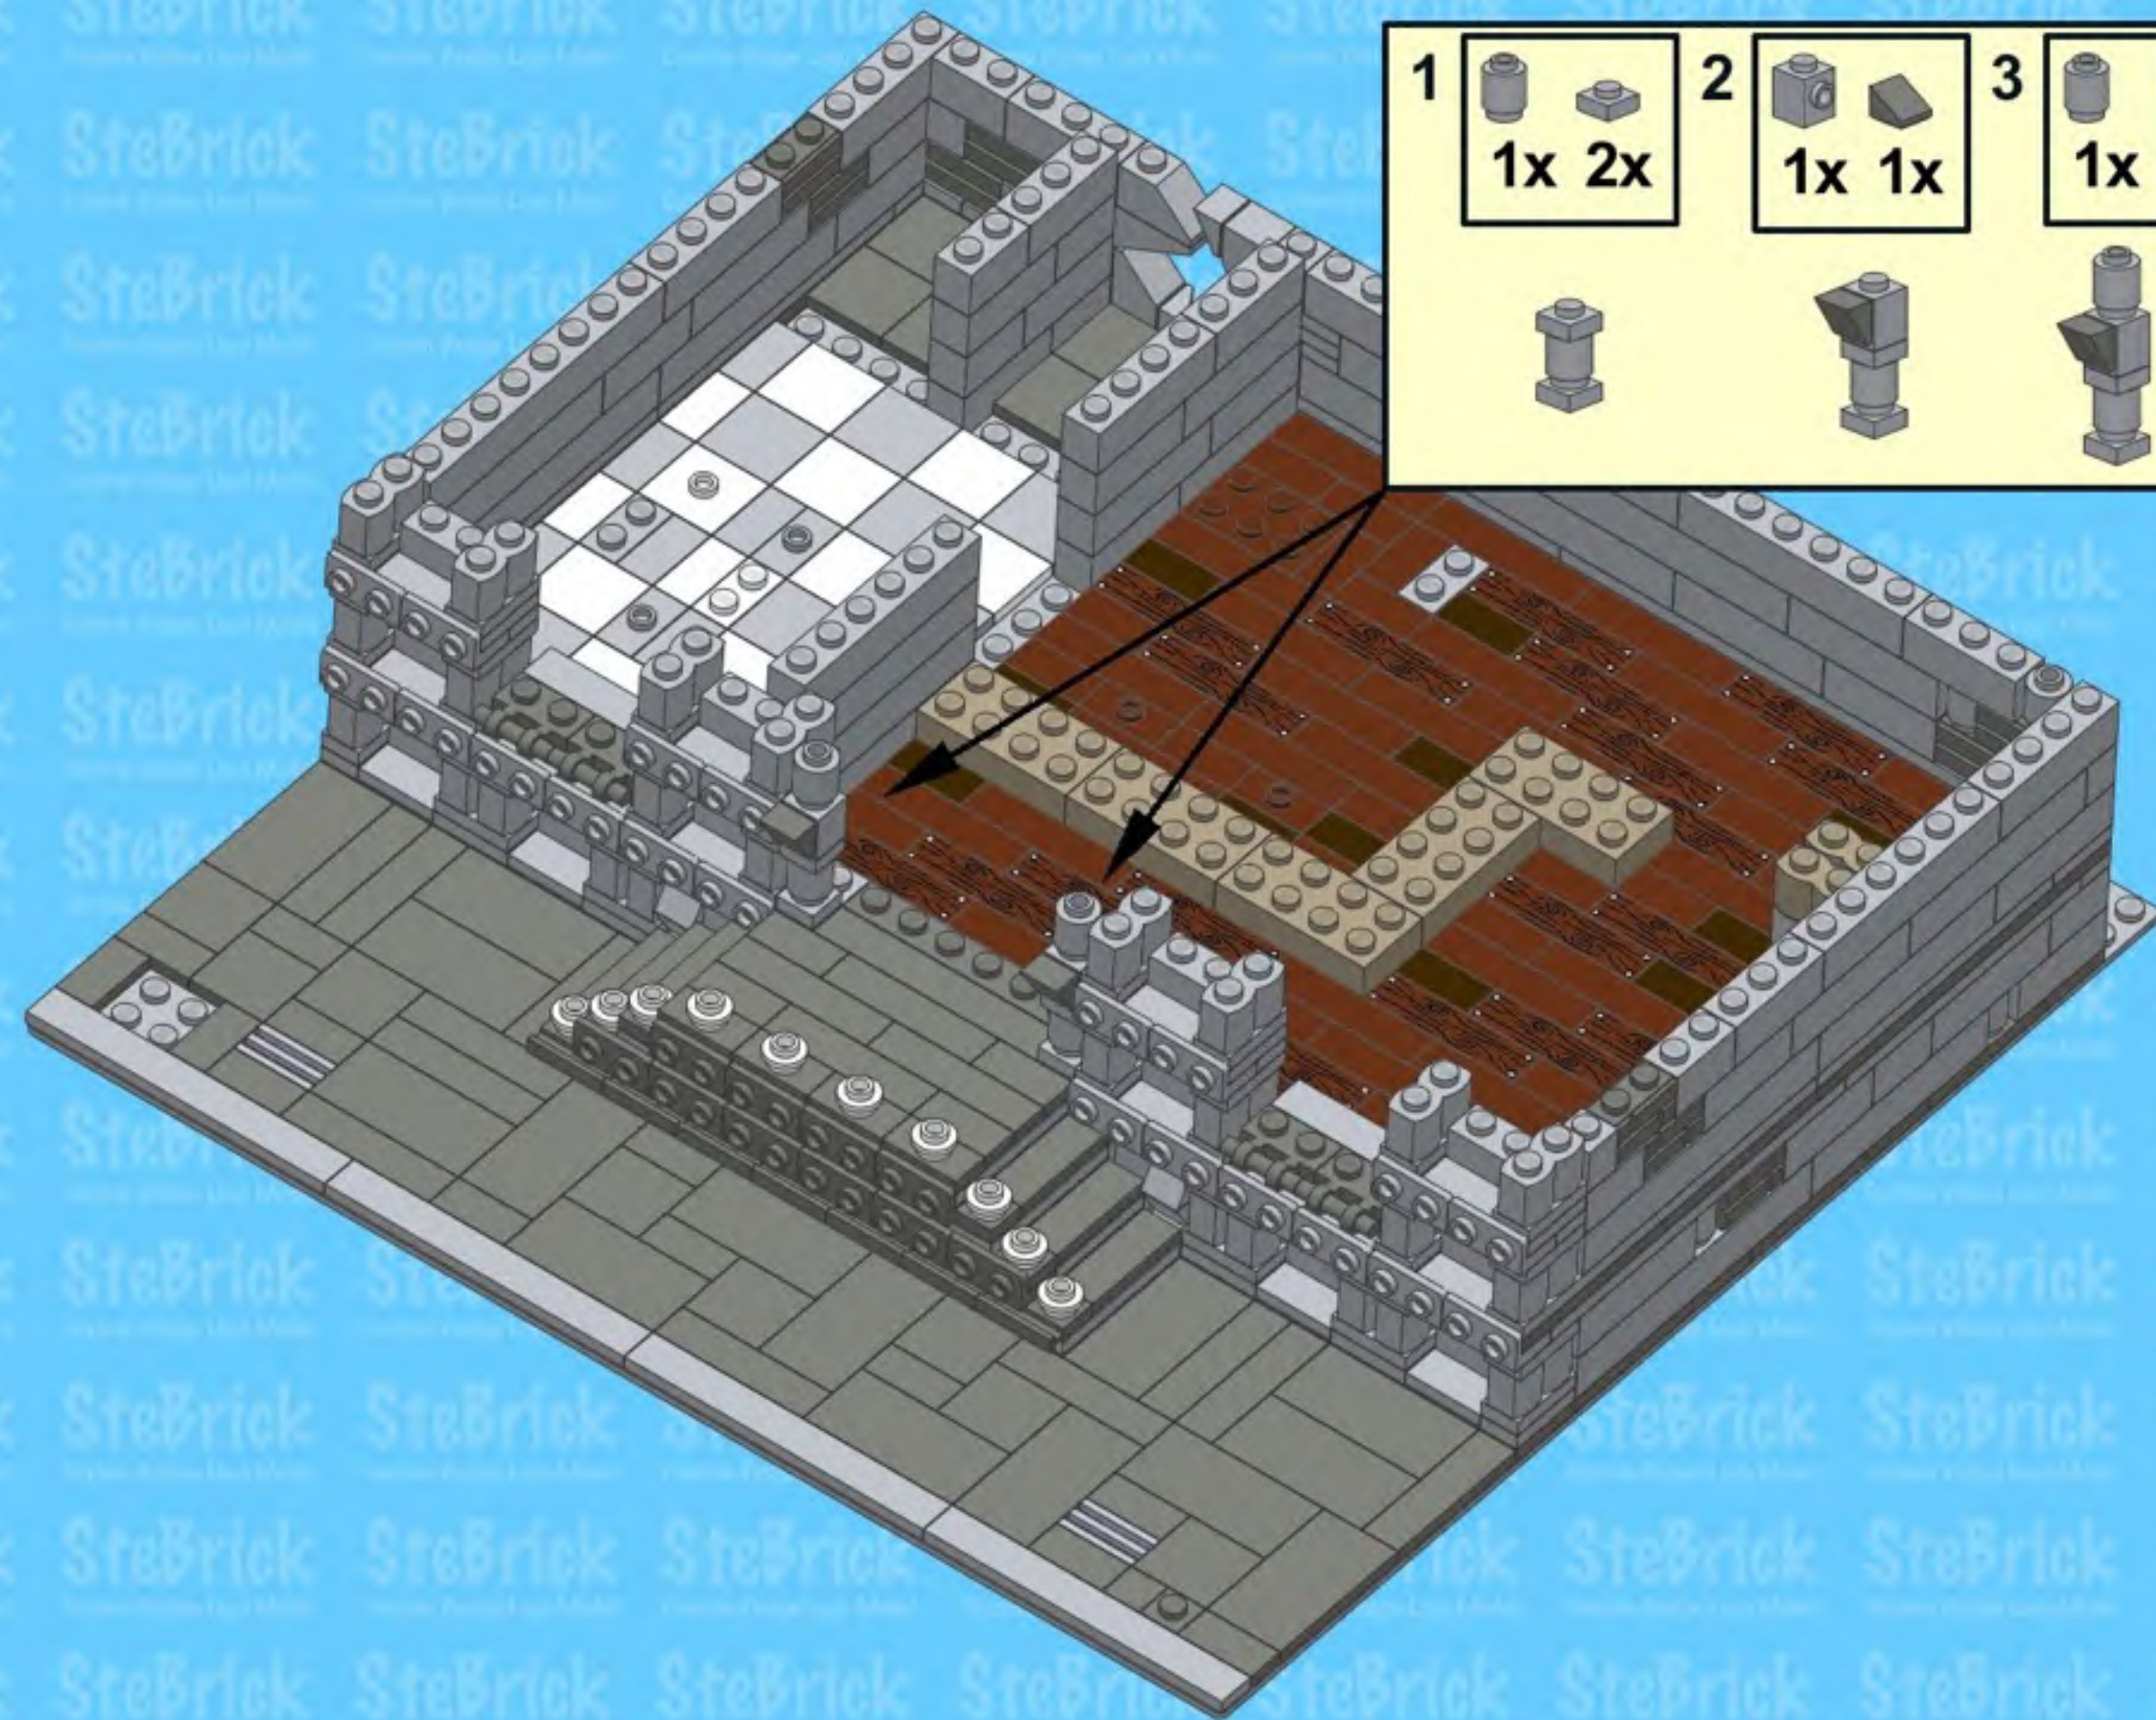

This diagram illustrates a LEGO Technic assembly, likely a base for a model. The structure is built on a grey Technic floor plate. A central rectangular area is defined by grey walls. Inside this area, there is a platform made of brown and tan bricks. To the left of the platform, there is a section with a white and grey checkerboard pattern. The assembly is surrounded by a grey border. The diagram is set against a blue background with a repeating 'SteBrick' watermark.

This diagram illustrates a LEGO Technic construction project. The base is a grey Technic floor plate. On the left side, there is a white and grey checkered platform. To the right of this platform is a large area covered with brown Technic floor plates, which are arranged to look like wooden planks. The entire structure is enclosed by grey Technic walls. In the foreground, there is a row of grey Technic beams with white circular connectors. The background shows a continuation of the grey Technic walls and floor.

A detailed LEGO Technic building model. The structure features a central area with a red floor and a curved wall, surrounded by a grey base and a black railing. The building is constructed using various LEGO Technic parts, including beams, pins, and connectors. The overall design is symmetrical and intricate, with a focus on geometric shapes and structural integrity.
