2x 2x

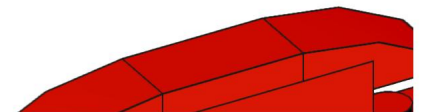

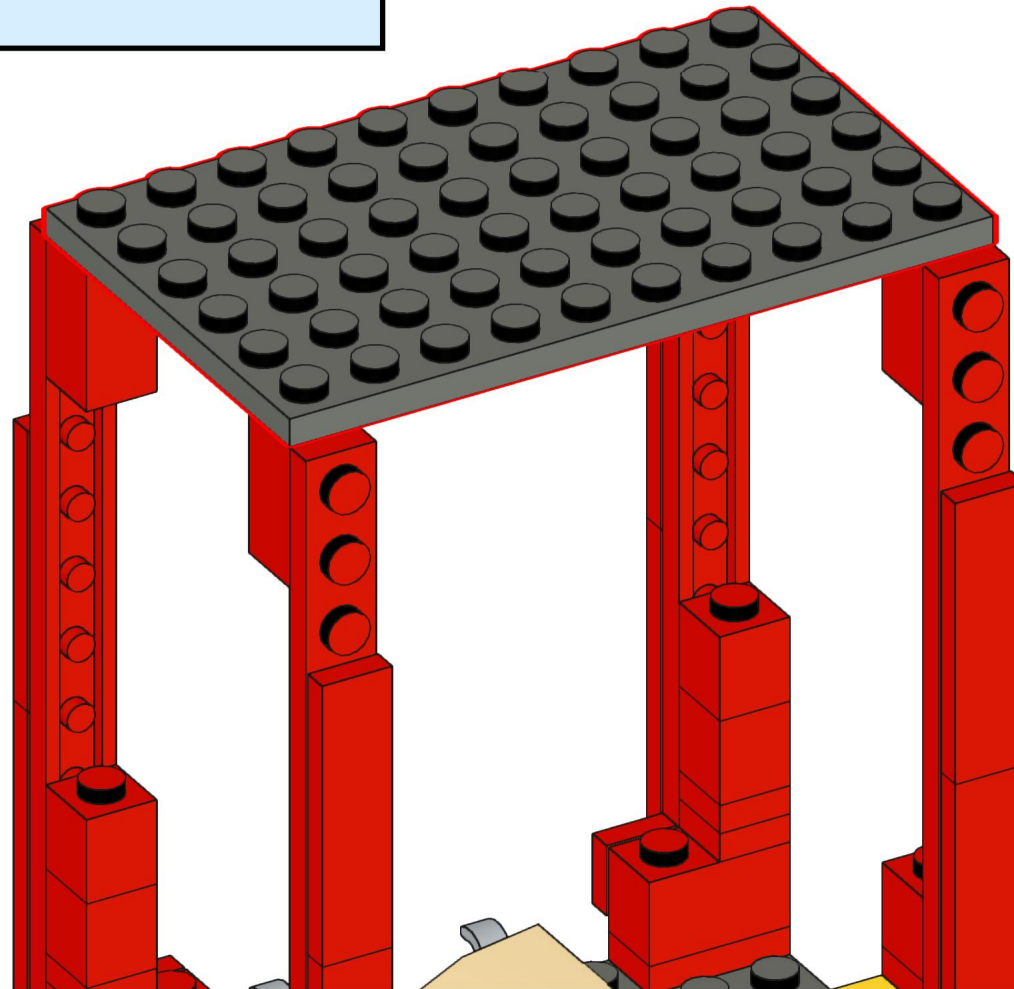

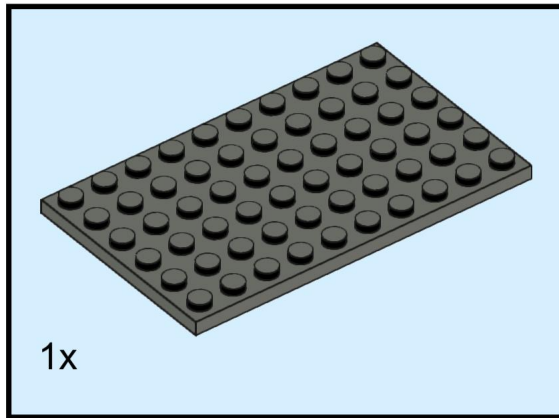

This image shows step 188 of a LEGO assembly. The main structure is built with red Technic beams and connectors. A yellow beam is attached to the side. A red platform is being added to the top. The platform is made of red Technic bricks and has a red curved piece attached to it. A red pin is shown being inserted into a hole in the platform. A small inset in the top left corner shows a red 1x2 brick and a red 1x3 brick, both labeled '2x', indicating that two of each are needed for this step.
