This callout box, with a light blue background, lists the required parts for step 28. It shows four black pins (two of which are 2-way pins) and two grey 1x3 Technic beams. The quantities '4x' and '2x' are printed below the respective parts.

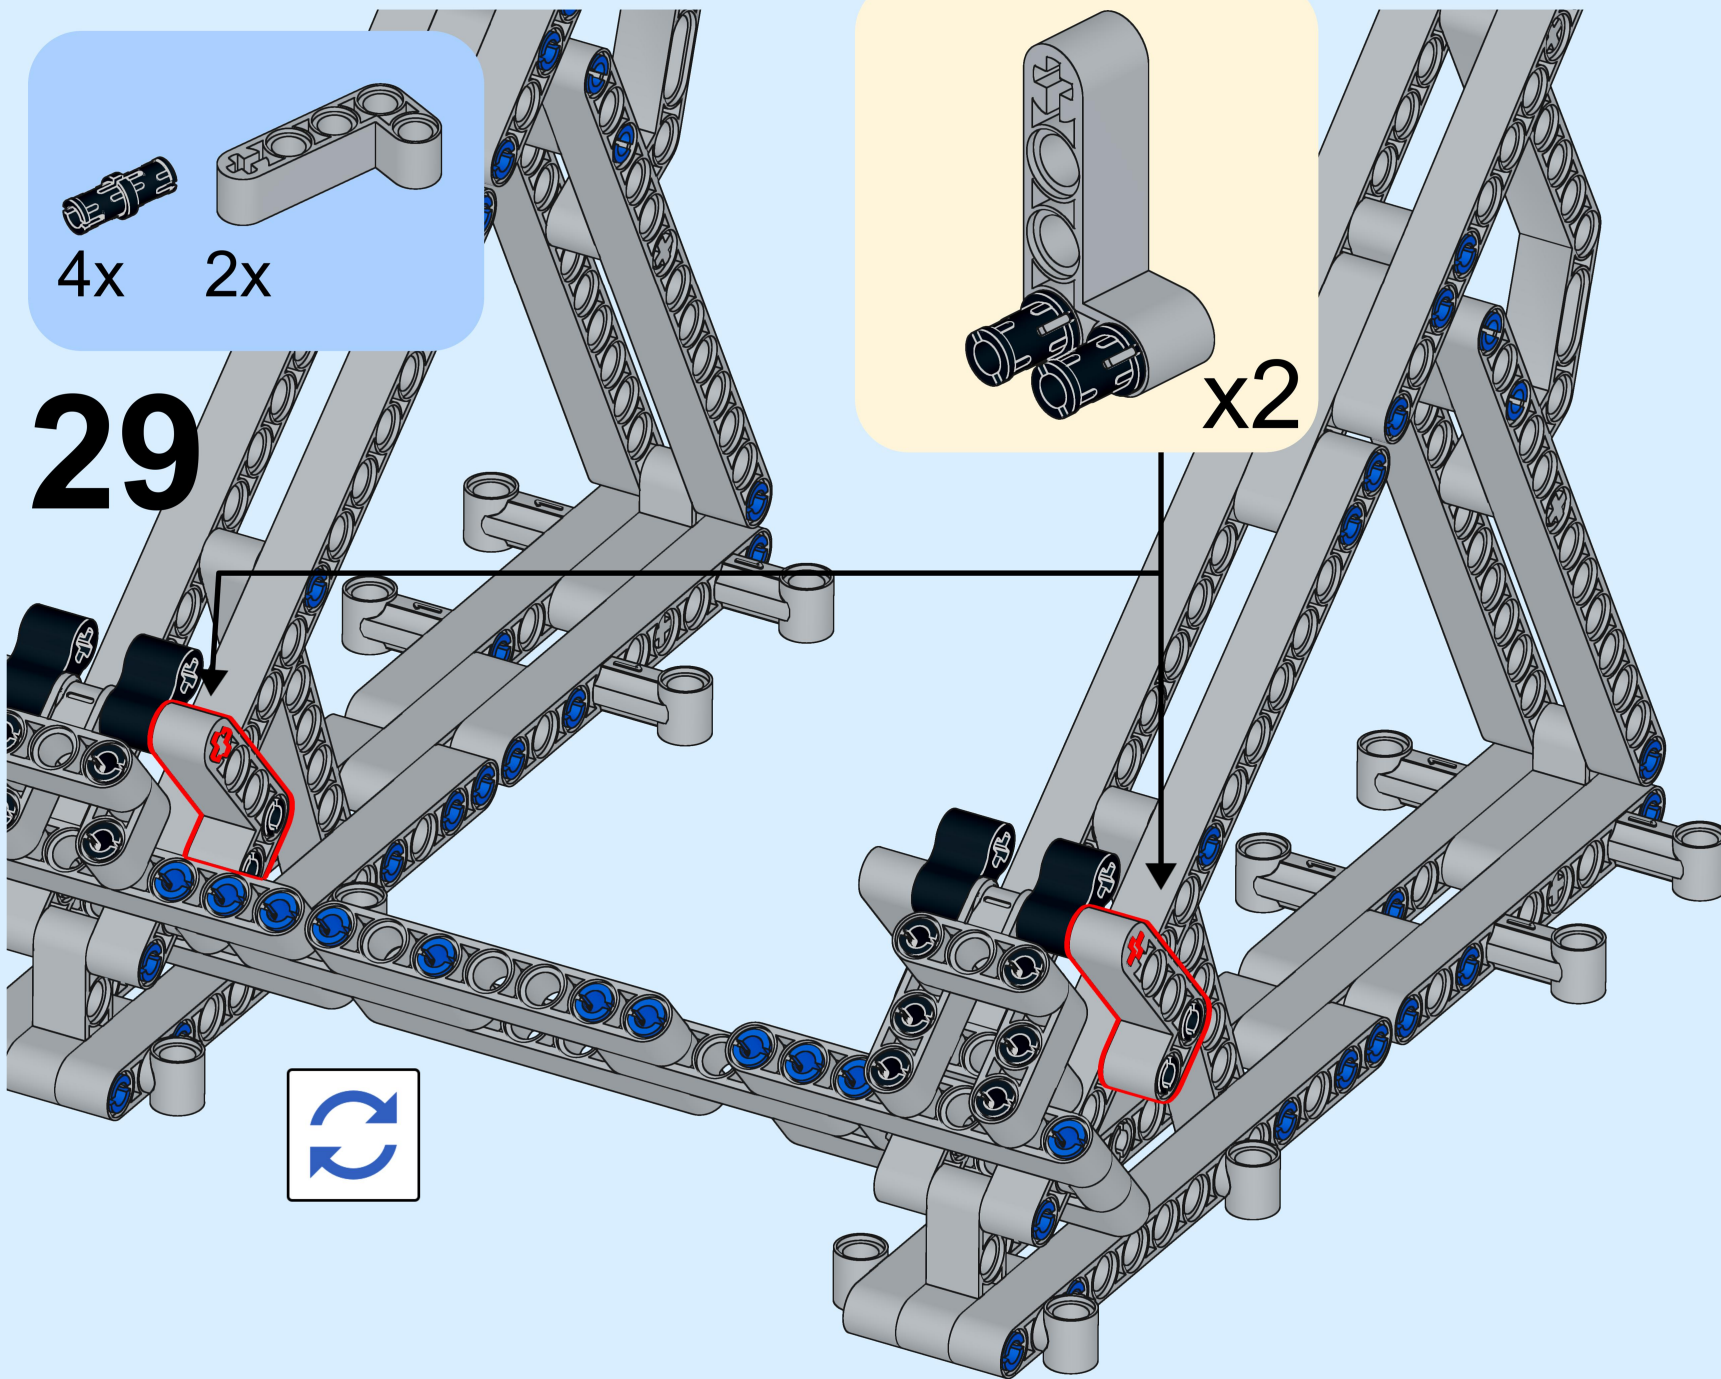

x2

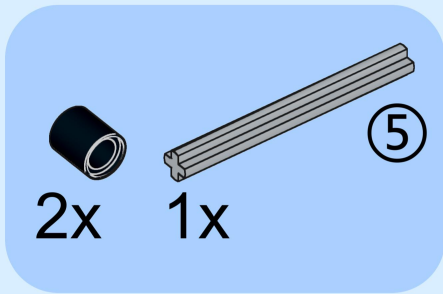

This callout box, with a light yellow background, shows a close-up of the assembly. It depicts two black pins being inserted into the holes of a grey 1x3 beam. The quantity 'x2' is printed next to the pins.
