This image shows a detailed LEGO building step, labeled 163. The main assembly consists of a large, complex structure made of red and blue bricks. A blue 1x4 brick is being placed on top of a red 1x4 brick. The structure is composed of many red and blue bricks, with some white bricks visible in the background. A parts list inset in the top left corner shows the required parts: 4x blue 1x4 bricks, 1x red 1x4 brick, and 1x red 1x4 brick. The background is a solid blue color.

This is a detailed illustration of a LEGO building step, labeled '601' in the top left corner. The main scene shows a large blue base with a red structure being built on top. The red structure consists of several rectangular blocks of different sizes, some of which are already partially assembled. A long, thin blue brick is highlighted with a red outline, indicating it is the piece to be added next. In the top left, a callout box shows two types of blue bricks: a 1x3 brick and a 1x6 brick. Below the callout, the text '4x' and '1x' indicates the quantity of each brick needed. The background shows a white structure with a blue roof and a blue wall, suggesting a larger building or fortification.
