The image shows a LEGO assembly step. At the top, a light blue box contains a parts list with the following items and quantities:

- 2x: Small tan pin
- 1x: Dark grey pin
- 5x: 1x tan 1-hole Technic brick
- 1x: 1x tan 4-hole Technic brick
- 1x: Green 3-way connector
- 1x: 1x tan 6-hole Technic brick

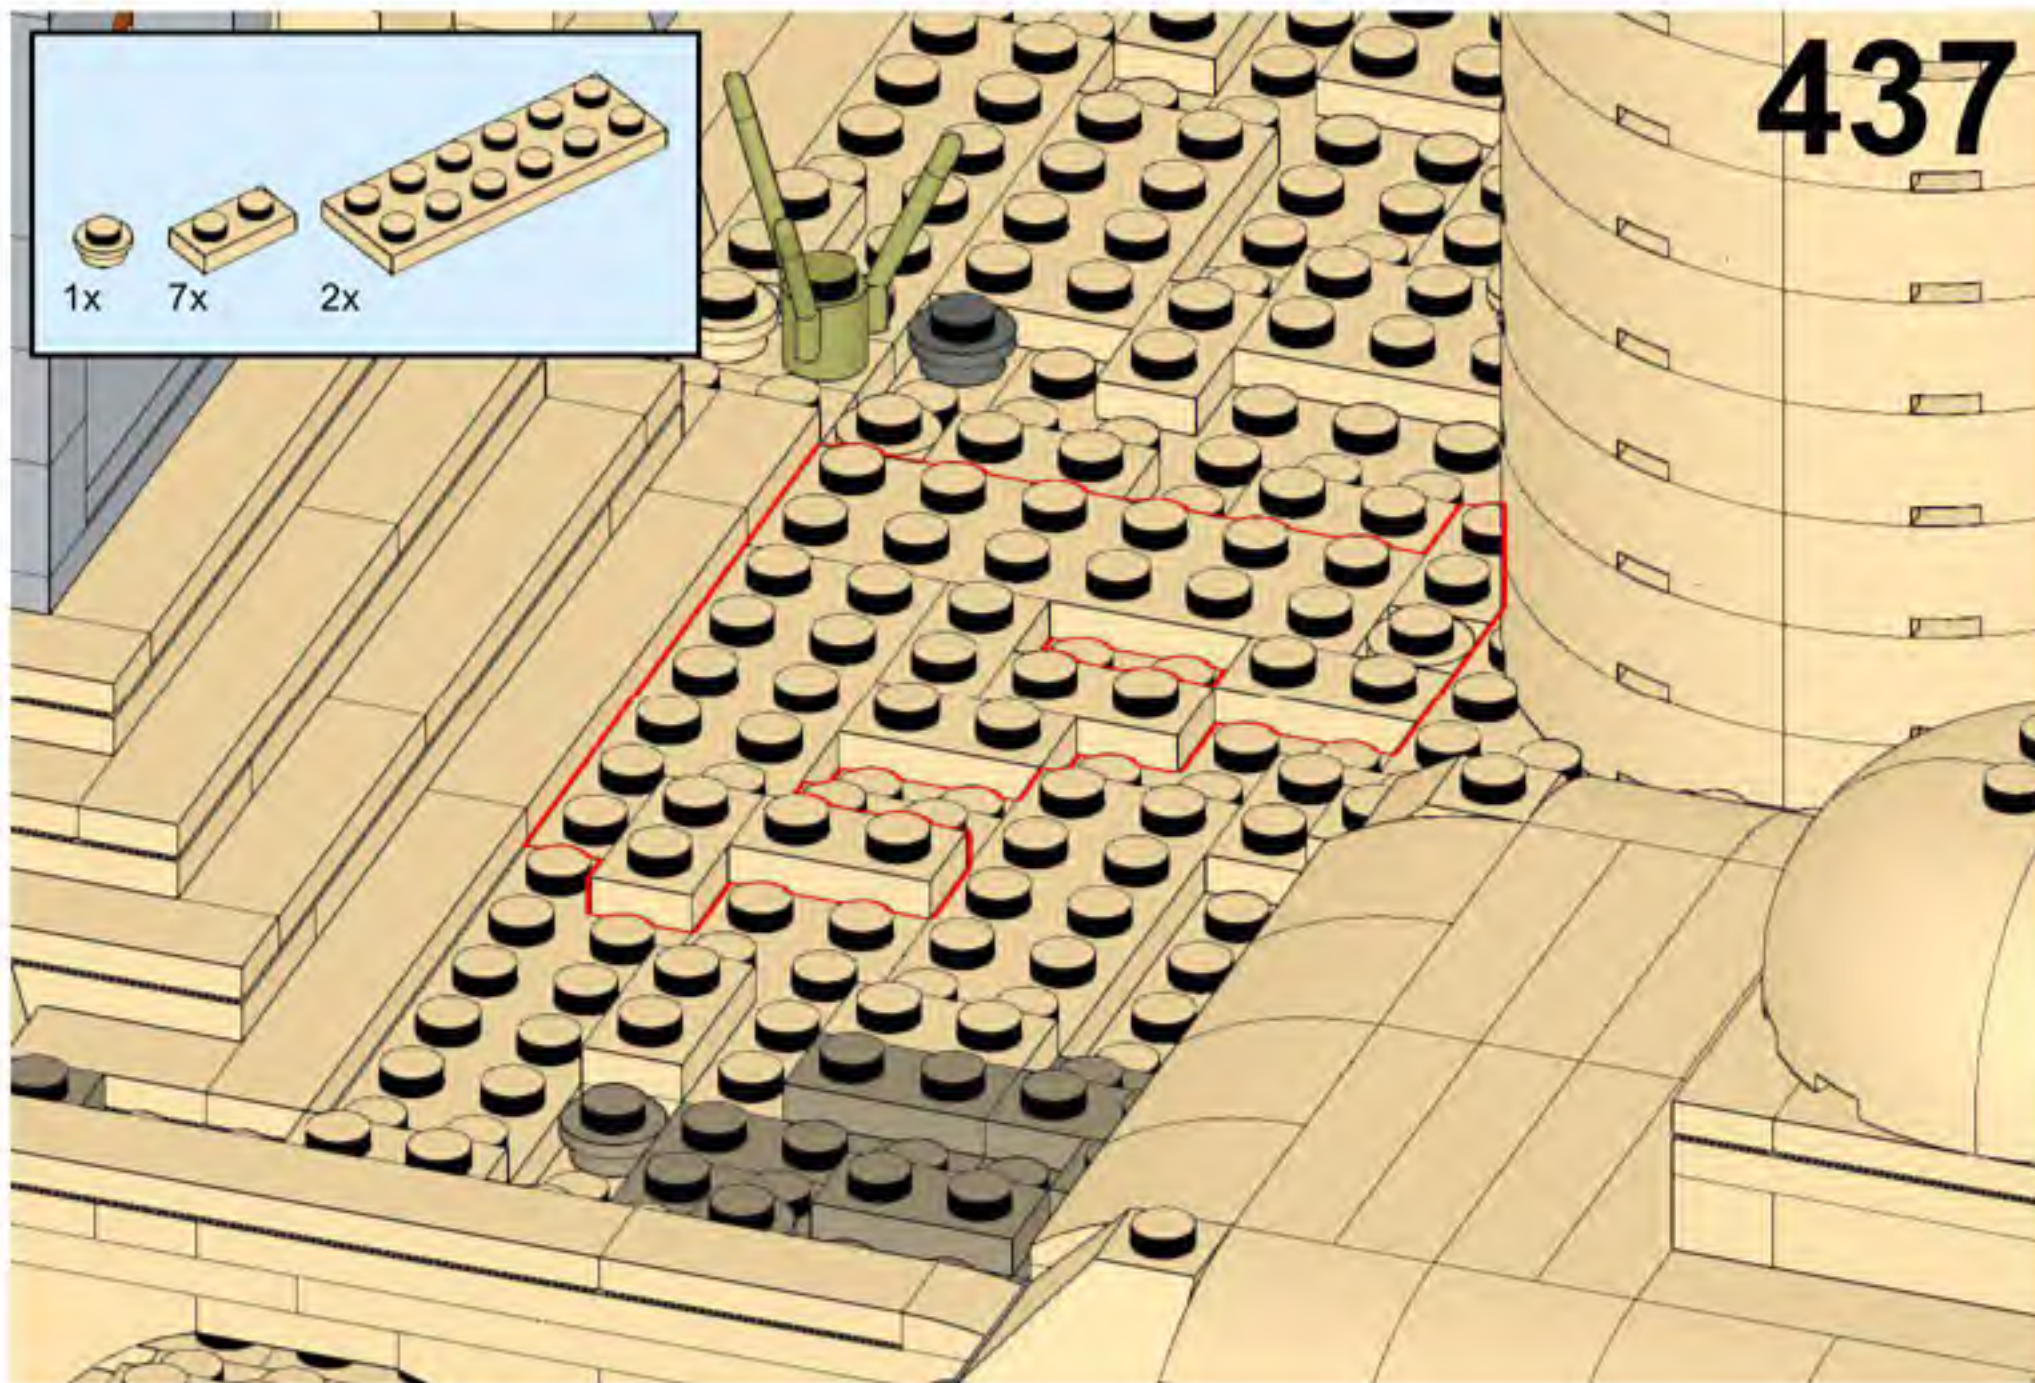

Below the parts list is a top-down view of the assembly. A red outline indicates the area where the parts are to be placed. The assembly consists of a 5x6 grid of tan 1-hole Technic bricks. A green 3-way connector is placed in the center of the grid, with its three arms pointing towards the top, bottom, and right. A dark grey pin is placed in the center of the grid, directly below the green connector. Two tan pins are placed in the center of the grid, one to the left and one to the right of the dark grey pin. A tan 4-hole Technic brick is placed horizontally across the top of the grid, covering the top four holes of the first three columns. A tan 6-hole Technic brick is placed horizontally across the top of the grid, covering the top six holes of the first five columns. A tan 1-hole Technic brick is placed in the top hole of the sixth column. The entire assembly is shown in a perspective view, with the tan bricks forming a base and the green connector and pins being the main components of the assembly.

This image shows step 91 of a LEGO building process. A large, light-colored LEGO plate with a grid of studs is the base. In the center, there is a grey structure made of several interlocking bricks. To the right of this structure, a grey gear is being placed on a stud. The gear is highlighted with a red circle. In the bottom right corner, there is a green mechanical component, possibly a motor or a pump, with a grey cap. The top left corner features a large number '91' and a small inset box containing two parts: a grey circular piece labeled '2x' and a grey gear labeled '1x'.

This image shows step 49 of a LEGO building process. The main view is a side perspective of a structure built on a tan 1x10 baseplate. The structure features a tan brick archway on the left and a wooden wall on the right. A red line indicates the placement of a new piece. An inset in the bottom left corner shows the required parts: 2x tan 1x1 brick, 1x tan 1x2 brick, 1x tan 1x3 brick, and 1x tan 1x4 brick.
