This diagram illustrates step 136 of a LEGO construction. It shows a base structure with a brick wall on the left and a platform on the right. The platform is built on a grey base and features a central area with a pattern of white, brown, and red bricks. A red dashed line indicates the placement of a new layer of bricks. An inset box shows the required parts: 3x 1x1 tan bricks, 6x 1x2 tan bricks, and 2x 1x3 tan bricks.
