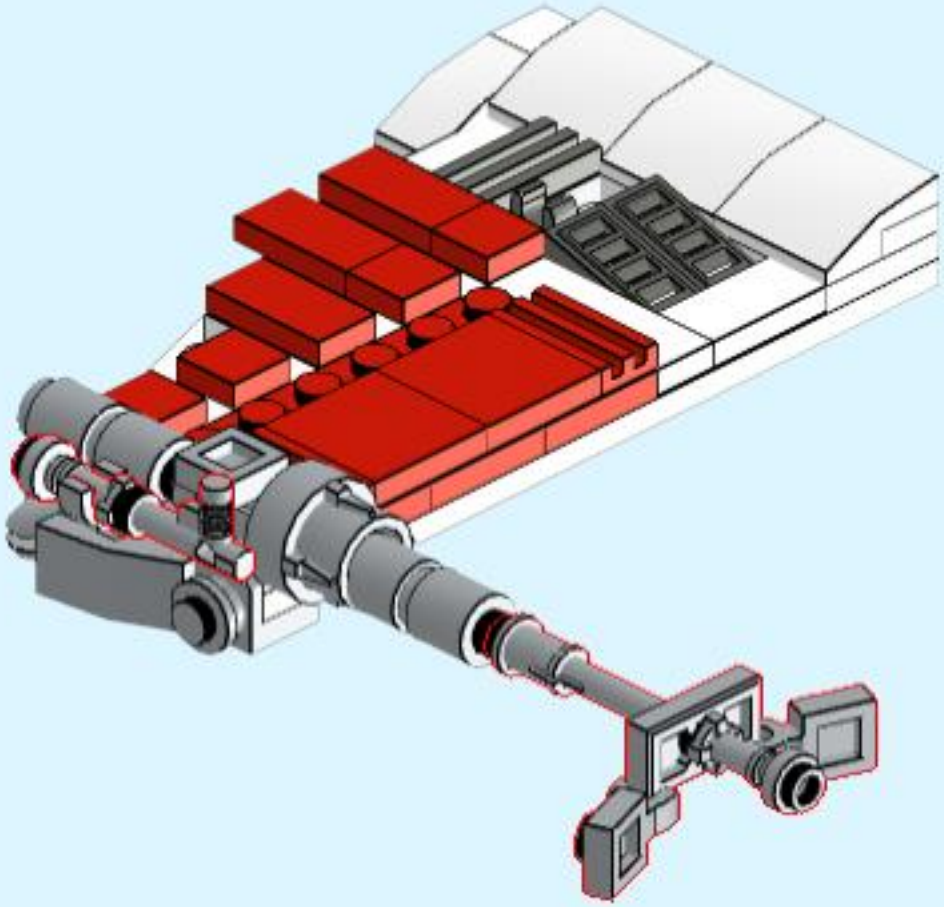
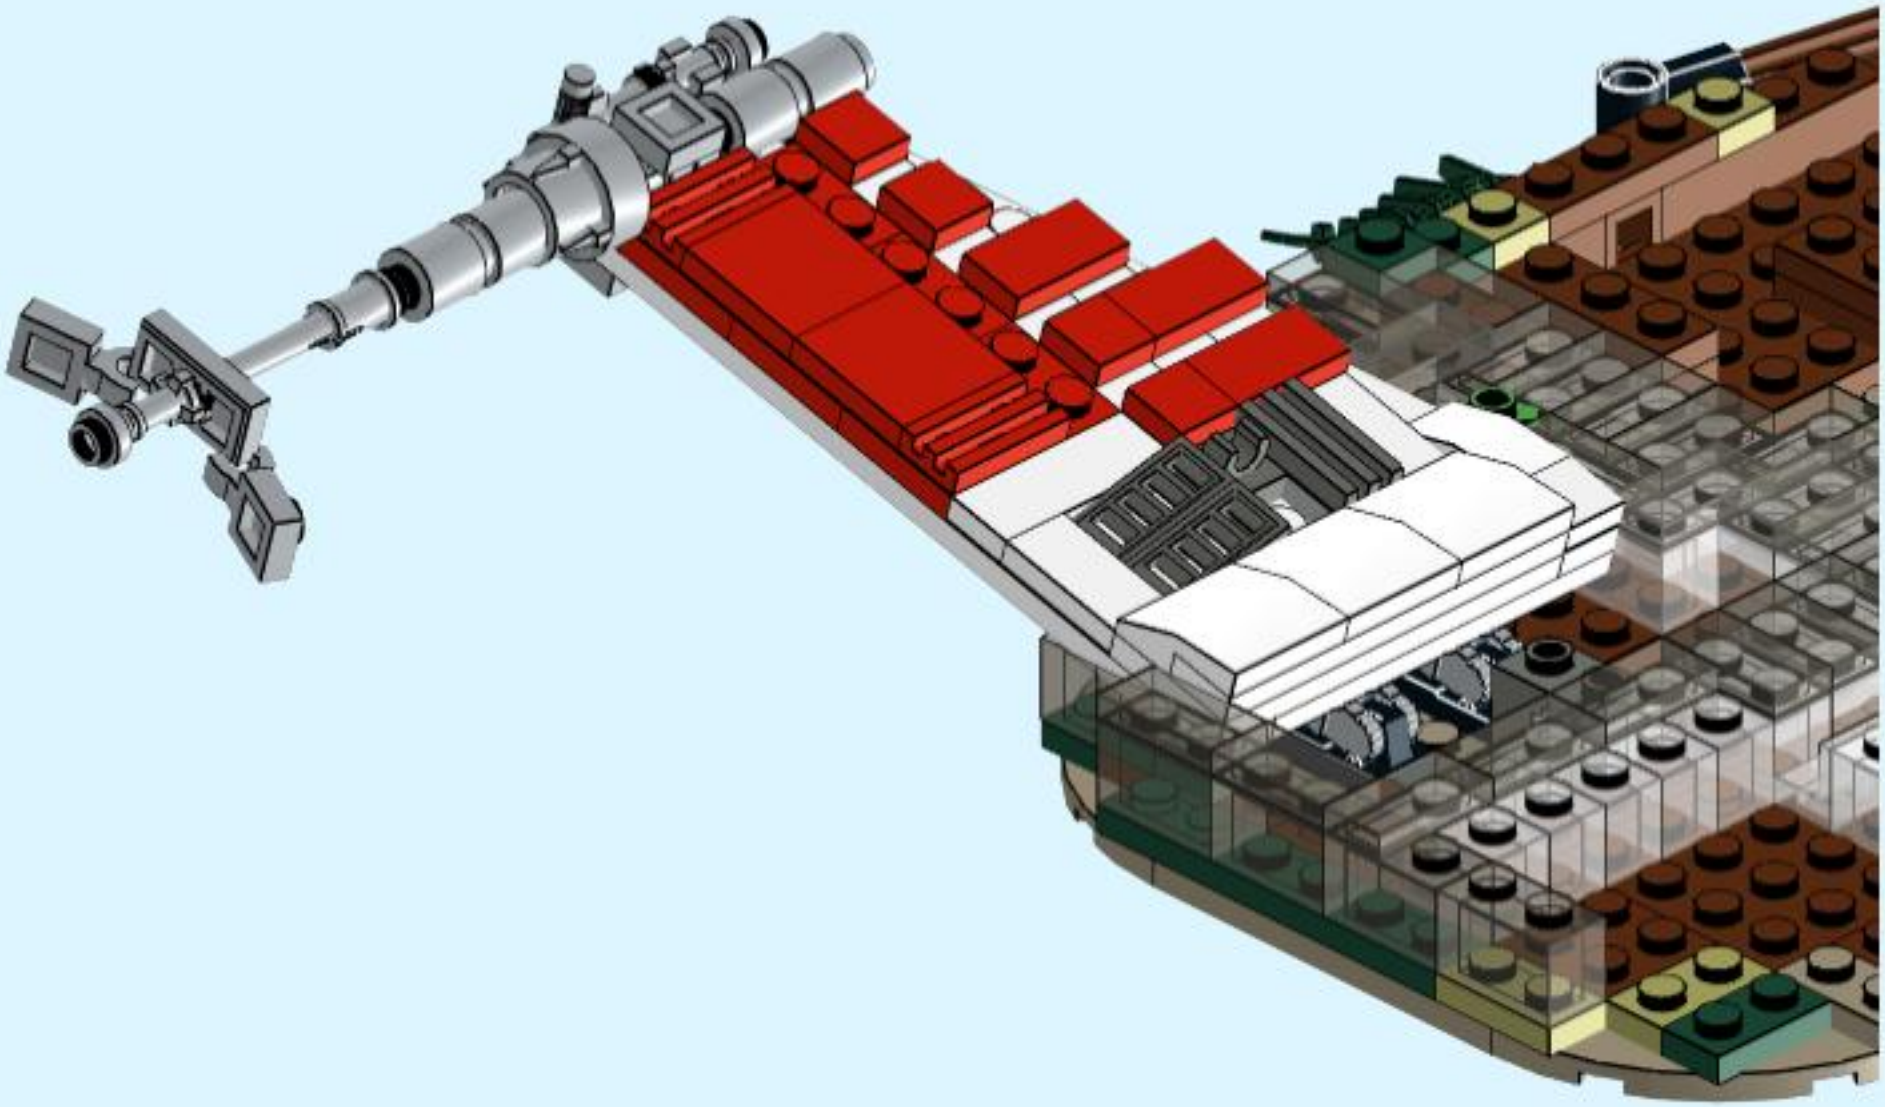
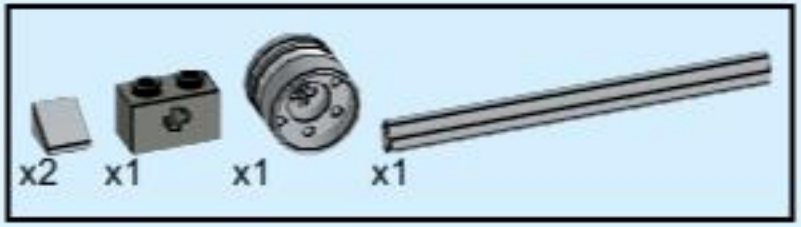
37

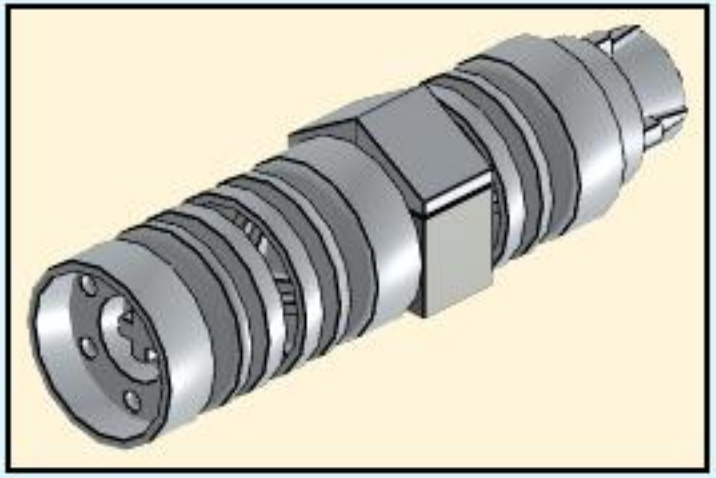


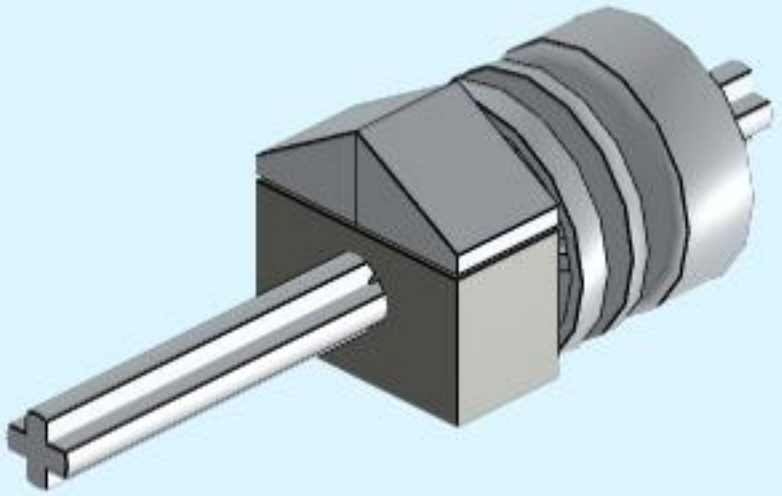
Place the 1x1 clip plates onto the center of the jumper plate



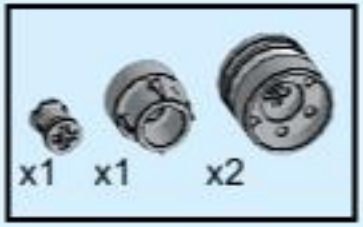
39

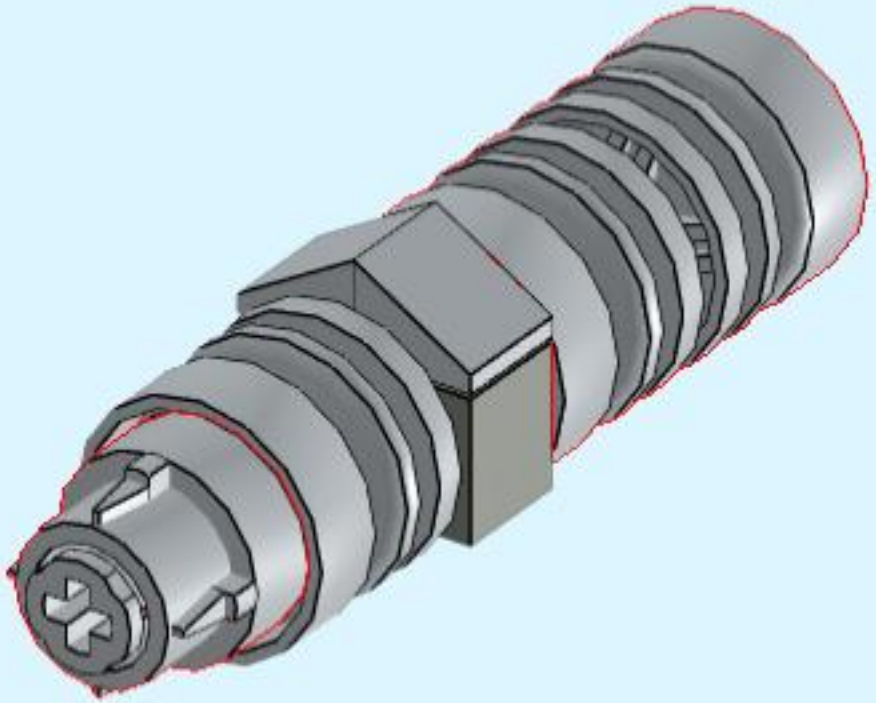




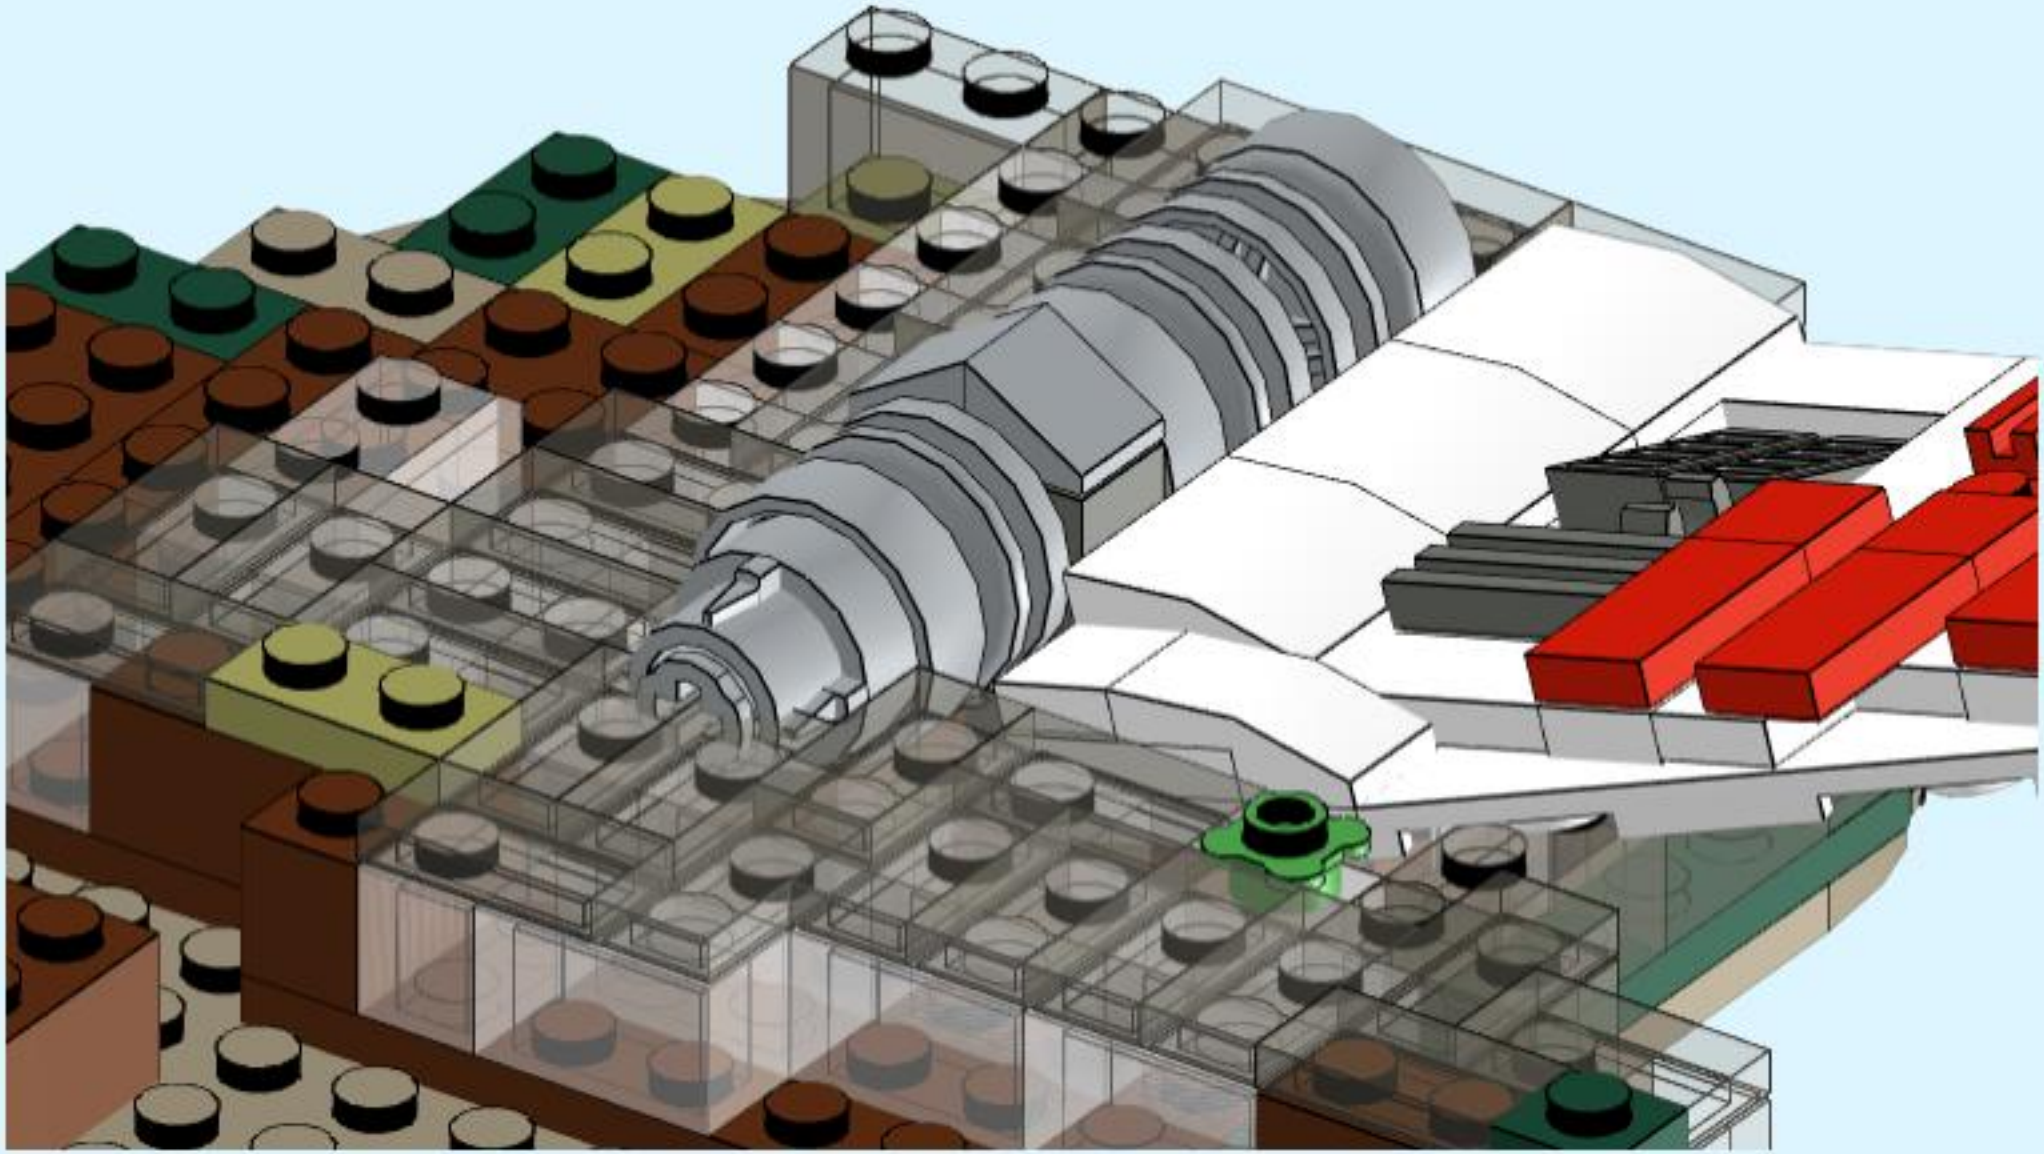


40

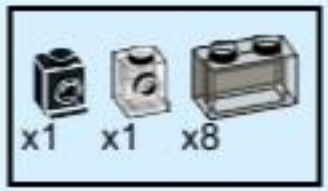




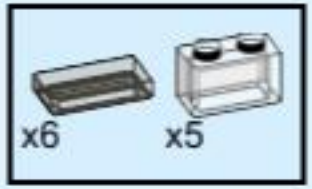
41



42



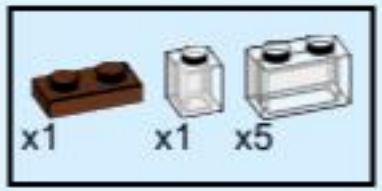
43



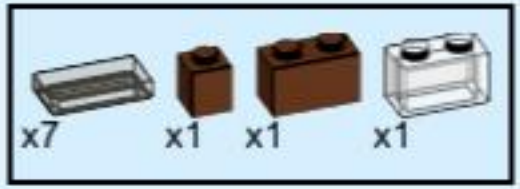
The 2 tiles that go over the 1x2 panel can be taken off to put R2's head in the swamp before he gets eaten

44

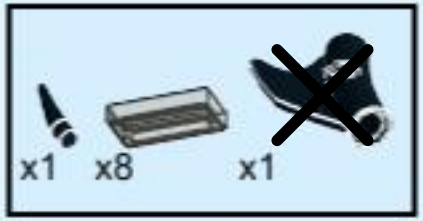
45



46



47



This piece will fit into the 1x3 space in the water to create the swamp monster
