This image shows step 197 of a LEGO Technic assembly. The structure is built on a brown base. A central orange mechanism, featuring a grey circular piece and a brown handle, is mounted on a stack of orange Technic bricks. To the left of this mechanism is a light blue platform made of four Technic bricks. The structure is surrounded by orange Technic bricks, and a red line indicates the placement of a new orange Technic brick on the right side. A small inset in the top left corner shows the required parts: two orange Technic bricks (labeled '2x') and two brown Technic bricks (labeled '2x').
