1. Insert a black Technic axle through a yellow 3-way connector.

2. Slide a grey Technic bush onto the axle, followed by a grey Technic pulley. A green arrow indicates the direction of assembly.

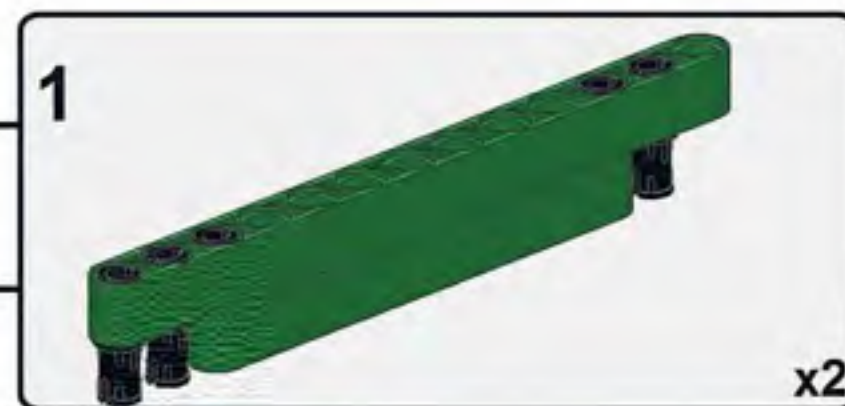

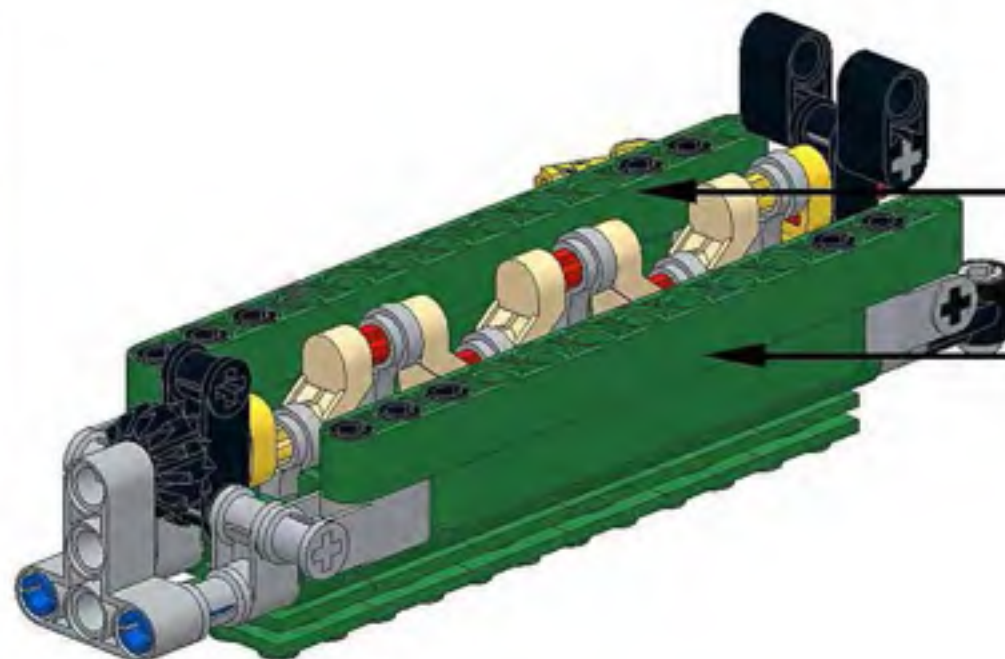

3. Attach a black Technic L-shaped bracket to the pulley. A green arrow indicates the direction of assembly.

4. Attach two grey Technic bushings to the ends of the axle. A callout box shows the assembly of a black Technic bush (1) and a grey Technic bush (2) with a green arrow indicating the direction of assembly. The quantity 'x2' is indicated for the grey bush.

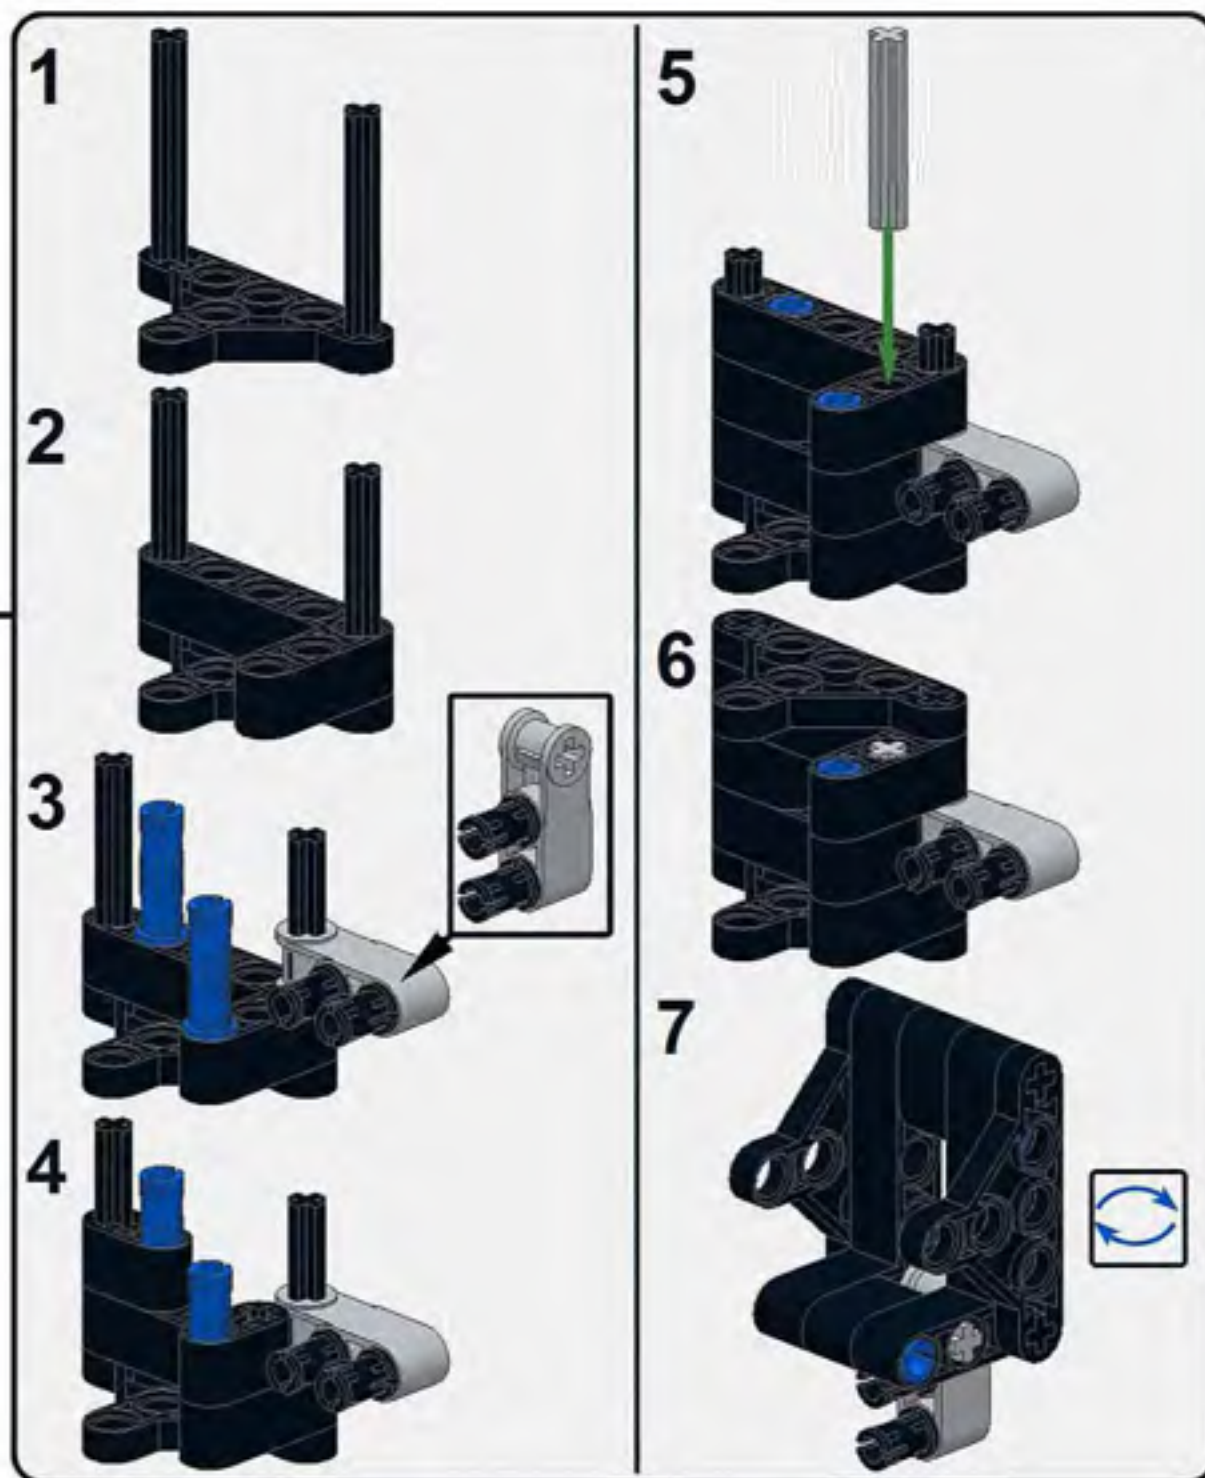

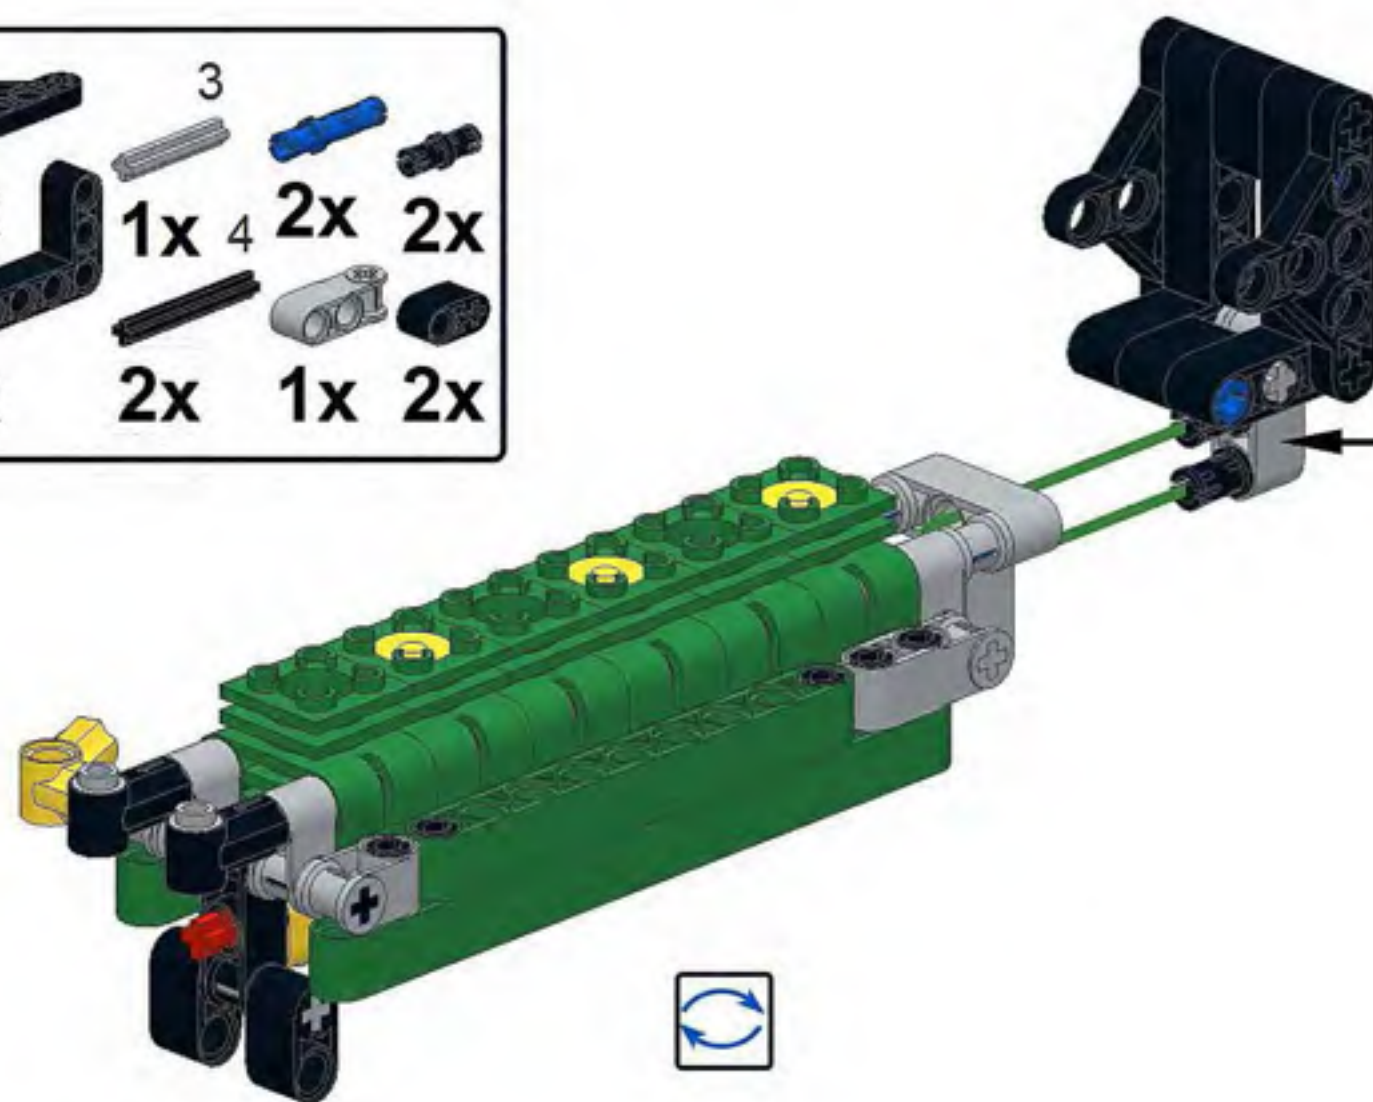

5. Attach a grey Technic bush to the end of the axle.

6. Attach a black Technic bush to the end of the axle.
